**Von Moxie Darling : Clover (Flower Child Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Clover (Flower Child Book 1) (English Edition):

KurzbeschreibungOn a mission to bring the love of literacy to impoverished rural children, Clover Willoughby finds

herself stranded on a dry, dusty West Virginia back road. Out of gas, out of service, and out of patience, she starts walking. When she stumbles across a quaint cabin in the woods, she's relieved at her good fortune. Her relief turns to trepidation and anticipation when the rough, crude mountain man living there offers to assist her . . . for a price. And he's not interested in money. This novella was previously titled *Penetrated on Ponetown*. This novella is a work of erotica. If you're offended by graphic sex, it may not be the book for you. This is the first novella in a planned series. It is NOT a full-length book.

*ber den Autor und weitere Mitwirkende* Moxie Darling is an erotica author living in the wilds of Ohio with her husband, elderly dog, and seven spoiled cats. She has a penchant for writing (and reading) naughty stories with a taboo twist. When she's not making word magic, she can be found crocheting stuff, stalking Goodreads and Pinterest, or struggling to resist the siren call of her chocolate stash.
