Clutch of ConstablesVon uschiIt is certainly one of her best.The Plot is good but even better is the way Ngaio Marsh takes you on a cruise down an English canal.The writing is so vivid it makes you enjoy the trip as if it was your own and any time you feel like a break - well there is the book to read.0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the QueensVon Harriet HasencleverI have enjoyed all of her writing- for the character sand observations, the

various milieus shown and a sense of the presence of a fine and compassionate mind behind the story.

**Kurzbeschreibung**A classic Ngaio Marsh novel which features blood-curdling murders in the confines of a riverboat, the Zodiac, cruising through Constable country. He looks upon the murders that he did in fact perform as tiresome and regrettable necessities, reflected Chief Superintendent Roderick Alleyn on the international crook known as the Jampot. But it was Alleyn's wife Troy who knew the Jampot best: she had shared close quarters with him on the tiny pleasure steamer Zodiac on a cruise along the peaceful rivers of Constable country. And it was she who knew something was badly wrong even before Alleyn was called in to solve the two murders on board. *Pressestimmen* "It's time to start comparing Christie to Marsh instead of the other way around." --New York magazine
