Von Will Self : Cock and Bull: Reissued before purchasing it in order to gage whether or not it would be worth my time, and all praised Cock and Bull: Reissued:

Kurzbeschreibung Carol, the heroine of *Cock*, is extremely dissatisfied with her married life. Realisation that her husband Dan is not the man for her has come too late and insult follows injury as Dan's drinking problem gives way to an obsessive fervour for Alcoholics Anonymous. One evening while Dan is out, Carol discovers something entirely unexpected about herself that leads her into rather twisted and distinctly uncharted waters ... On the flip side, there is Bull. John Bull is a man's man. A rugby player, a drinker. He's also about to wake up to something of an anatomical surprise, a surprise that his doctor seems to be much more interested in than is entirely proper ... Pressestimmen 'There is a lot of the attention-grabber in Will Self, and in his prose ... Brings home how daft, compelling and dirty sex can be, all at the same time' Nicholas Lezard, *Independent on Sunday* 'His technique is dazzling, packed with wicked wit and sparkling invention. *Cock and Bull* is scabrously brilliant stuff' *Time Out* 'These stories of transsexual metamorphoses and hermaphroditic intercourse are likely to provoke demented laughter of a degree that may knock your socks off' *Evening Standard* 'Imagine a film of Kafka's *Metamorphosis*, scripted by William Burroughs and shot by David Cronenberg and you would have *Cock and Bull*: two novellas, mirrors of each other, both attempting entry to a "a twilight zone" ... pure delight to verbal perverts everywhere' *Sunday Times* Kurzbeschreibung Carol, the heroine of *Cock*, is extremely dissatisfied with her married life. Realisation that her husband Dan is not the man for her has come too late and insult follows injury as Dan's drinking problem gives way to an obsessive fervour for Alcoholics Anonymous. One evening while Dan is out, Carol discovers something entirely unexpected about herself that leads her into rather twisted and distinctly uncharted waters ... On the flip side, there is Bull.
