Von Kylie Cooper, N.T. Morley, Brett Olsen, Kendra Jarry, Josie Blackwell, Jodi Fowler : **Cock Lock: Femdom Stories of Extreme Male Chastity (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cock Lock: Femdom Stories of Extreme Male Chastity (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very enjoyable collection Von Bjrn Jagnow The key to any kind of erotic sensuality is consent. And that is the difficult part

in writing and reading erotic fiction. Of course, the reader consented in reading, but as he has to explore what details will come up in a story, he suffers a high risk of getting what he does not like and does not agree upon. If you are considering reading "Cock Lock", you obviously consent to male chastity. If you read the blurb, you accepted humiliation, but this is a widespread territory. My consent to humiliation ends, if a person is treated as entirely unworthy. That's where I draw my line. Fortunately "Cock Lock" does rarely cross this line. 5 out of 7 stories stay in my zone and of the other two I could at least finish one. Enjoying 6 out of 7 stories or 80% of the length is a good quota. Some authors write pretty straight forward sex action, others invested some brainpower to create appealing situations, something to remember. These are the ones that make "Cock Lock" a good read: "Seven More Days" by N.T. Morley, "A Call from His Mistress" by Kylie Cooper and "My So-Called Rockstar Boyfriend" by Jodi Fowler.

Kurzbeschreibung Denied sex...forbidden to masturbate...even padlocked into chastity! At the mercy of cruel women, the helpless hubbies of Cock Lock may be tortured with strap-on training, panty humiliation, or vicious tease-and-denial! Cuckolded, whipped, bound, spanked...it's all up to her! Each man will discover that once a cruel woman is his honored keyholder, there's simply no going back...she owns him! Cock Lock is a hardcore, explicit anthology of Femdom chastity, cuckold and humiliation fantasies. With seven stories and more than 29,000 words of hardcore Femdom fiction, it's certain to please the perverse whims of denial Dommies and humiliated husbands alike.
