mein erstes Buch von Donna Andrews, daher wusste ich beim Kauf nicht so recht was mich erwartet. Ich war sehr positiv überrascht: sehr unterhaltend, spannend und man tut auch noch etwas für sein Englisch! Ich werde sicherlich noch mehr Bücher von Donna Andrews lesen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Hilarious romp Von Fuchs Joan Wie in allen Büchern der Autorin ist auch in dieser Geschichte wirklich viel los, und zwar von Anfang an. Die erfrischend kuriose Verwandtschaft kommt diesmal vielleicht etwas zu kurz, aber die Geschichte ist dennoch sehr spannend, komplex, glaubhaft und vor allem vergänglich. Meg und Michael sind Eltern auf Zeit, während sie die Probleme einer Freundin klären. Vielleicht etwas absehbar, dennoch tut es dem Vergnügen keinen Abbruch. Ich habe es in einem Zug durchgelesen. Mehr davon!

**Kurzbeschreibung** It's time for more outrageous and feathered fun in the award-winning, laugh-out-loud Meg Langslow series. When her old friend Karen drops by with two-year-old son Timmy, Meg Langslow reluctantly agrees to babysit "just for a little while." But when nightfall comes, the toddler is still in residence and Karen isn't answering any phone calls. Meg decides she must find out what's happening, so the next morning, with Timmy in tow, she retraces her friend's footsteps---and begins to suspect that Karen's disappearance is tied to at least one serious crime. Has Karen been killed or kidnapped? Is she on the run from the bad guys? Or is she one of the bad guys? The police don't seem to care, so Meg once again plays sleuth---this time with a toddler as her sidekick. As usual, Meg's extended family adds to the complications in her life. What covert animal welfare project are Dad and the curmudgeonly zoologist Dr. Montgomery Blake working on---and will Meg have to make another late-night trip to bail them out of jail? Why does Meg's brother keep disappearing---is he merely trying to avoid babysitting, or is he involved in something more mysterious? Will taking care of Timmy dampen newly married Meg and Michael's enthusiasm for starting a family of their own? And are any of Meg's relatives reliable enough to be trusted with a two-year-old---especially a two-year-old whose whereabouts might be of interest to some very dangerous people? Donna Andrews once again proves her skill as one of the funniest, most entertaining mystery authors around. **Pressestimmen** Suspense, laughter and a whole passel of good clean fun. **Publishers Weekly** If you long for more fun' mysteries, la Janet Evanovich, you'll love Donna Andrews's Meg Langslow series. **The Charlotte Observer** **Kurzbeschreibung** It's time for more outrageous and feathered fun in the award-winning, laugh-out-loud Meg Langslow series.
