Von Jo Nesbo : Cockroaches: Harry Hole 2 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cockroaches: Harry Hole 2 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An ambassador's murder in BangkokVon Alfred J. KwakEarly 1998 Harry Hole investigation in Bangkok, Thailand where Norway's ambassador is found dead, stabbed in the back with an antique knife in a disreputable motel. He has to operate very, very carefully and discreetly. If not, heads will roll in the Foreign Ministry and Norway's police force,

starting with HHs. He is in a poor, alcohol-induced state of despair when ordered to head East. Soon after touchdown he realizes he may come to hate Thailand for its climate, traffic and noise. And he has to stay sober too, lest others pay for his failings. How he fares is for readers to find out. Found several things remarkable: (1) Early crime novel to fully exploit the interface between policing, telephone companies and mobile phone traffic; (2) MFA staffs career planning, hopes and failures, incl. side entrants; (3) References to the impending 1997 Asian financial crisis by making a top Norwegian currency trader a suspect. Otherwise, love the books pace and brief chapters. Found its plot and dialogues not always easy to follow, its Nordic characters full of hidden secrets. Suspect this thriller may have ruffled some feathers when it came out. HH comes across as a loose cannon, making terrible jokes. Jo Nesbo adds a horrible assertion about an expat charity helping local prostitutes improve their English...Perfect for on the beach. 1 von 6 Kunden fanden die folgende Rezension hilfreich. Harry Hole Von Yvonne Absolut empfehlungswert fr Krimifans. Mehr kann ich dazu nicht sagen. Muss noch 10 Wrter schreiben also hier sind sie. Ende. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another great Harry Hole novel Von Kunde Excellent thriller with twists and turns all way through - could not put down - Jo Nesbo keeps on producing great books with great plots.

Kurzbeschreibung OVER 33 MILLION BOOKS SOLD WORLDWIDE Harry is on a special mission Detective Harry Hole arrives in a steaming hot Bangkok. The Norwegian ambassador has been found dead in a seedy motel room, and Harry has been sent to investigate. Its clear that the Ambassadors family are hiding some secrets of their own, but few people are willing to talk. He needs to solve a crime and avoid a scandal When Harry lays hands on some incriminating CCTV footage, things only get more complicated. The man who gave him the tape goes missing, and Harry realises that failing to solve a murder case is by no means the only danger that faces the unwary. But in an unfamiliar city, who can you trust? Pressestimmen #1 INTERNATIONAL BESTSELLERS Surprisingly fresh, compelling and radiant with the joy of writing. Helsingin Sanomat (Finland) Jo Nesb has written a substantial and well-constructed crime novel with a true Nordic hero as main character. The plot is so complicated that you have no chance at figuring out the murderer until the last page. Hang on to it with great pleasure Jo Nesb writes so well and incisively about the crowds in the streets, and about a socially blighted Bangkok. ALT for damerne (Denmark) Last years debut novel The Bat wasnt just a fluke. Nesb continues with The Cockroaches, a true ex-pat mixture of the creepy and gruesome kind. Look forward to a great read. Verdens Gang (Norway) Theres a sense of grandeur and near-extravagance in Nesbos novel. Aftenposten (Norway) As [a] crime novel, The Cockroaches offers excitement to the very last straw. However, this is not the only reason it is a pleasure to read it: Jo Nesb is a master of language, and offers vivid descriptions owing to thorough research. Dagsavisen (Norway) Werbetext The thrilling sequel to Nesbo's debut novel The Bat, The Cockroaches sees Harry sent to Bangkok to investigate the murder of the Norwegian ambassador
