This short story is particularly funny for people - like I - who are afraid of the dentist. I could relate very good how awful Robin felt. But I think her dentist is really nice and she won't be afraid when she has to go back the next time. (well mine is also very nice but I'm still afraid. Not of her but of all these mean tools around)

KurzbeschreibungHoly water and sunlight dont scare Robin, but the mere thought of going to the dentist sets her fangs on edge. Good thing vampire teeth are indestructibleor so she thinksuntil a night of passion with her girlfriend, Alana, has unexpected consequences.KurzbeschreibungHoly water and sunlight dont scare Robin, but the mere thought of going to the dentist sets her fangs on edge.
