Von Linda Barnes : Cold Case (The Carlotta Carlyle Mysteries) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cold Case (The Carlotta Carlyle Mysteries) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A ghost-like creeper without the ghostsVon Ein Kunde"Cold Case" by Linda Barnes is enjoyable from start to finish.The poems of a murdered writer surfaces 24 years after her death.Recent poems. Private I,Carlotta doesn't know if they're

frauds or genuine. She only knows that the poems reveal more than writer's family wants her and the public to know. Things such as the truth behind a seemingly solved case, and secret alliances between politicians and members of the Boston PD. The role of the murdered, child writer makes this novel border on the paranormal. It gets very eerie without getting "out there." I give it a 10 for suspense. -Joe1 von 1 Kunden fanden die folgende Rezension hilfreich. a real disappointment Von Ein Kunde I was very disappointed with this book. It came highly recommended. I loved Ms. Barnes' other books. This one was a bore!

Produktbeschreibung Hired to find a missing novelist, Boston private investigator Carlotta Carlyle gets tangled up in a cutthroat political campaign. Thea Janis was a literary Mozart. She published her first novel at age fourteen, shocking the upper crust of Boston with her frank depiction of blue-blooded indiscretions, and she seemed to have a magnificent career ahead of her. But before Thea could publish her follow-up novel, she mysteriously disappeared and was eventually named as a victim of a serial killer. Twenty-four years later, an admirer of Thea's comes to Carlotta claiming to have evidence that Thea is alive and still writing. He begs Carlotta to find the onetime prodigy, but there are powerful people, including Thea's prominent family of Boston politicians, who want Thea's second book to stay buried. As a take-no-prisoners gubernatorial race speeds to its climax, Carlotta discovers a secret that could upend the campaign, endanger people's lives, and rewrite literary history. Cold Case is the 7th book in the Carlotta Carlyle Mysteries, but you may enjoy reading the series in any order.
