turnerVon AngieGripping, exciting, thrilling. I thoroughly enjoyed this book. It's fast-paced and will keep you on the
edge of your seat.2 von 2 Kunden fanden die folgende Rezension hilfreich. ein etwas anderer Niven als gewohntVon

C. KuriIch verschlinge alles von John Niven und wnsche mir immer, dass er in kurzer Zeit sehr viele Bcher schreiben mge. An diesem Buch aber fehlt mir der bliche "Niven-Biss" und die derbe Phantasie und Sprache seiner brigen Romane. Es ist schn geschrieben, nur ist der Anlauf, bis es zur Sache geht, recht lang und langsam. Man wei ber viele Seiten, dass da was lauert, und da dauert es doch sehr lange, bis es endlich herauskommt. Ohne zu verraten, was ihn da aus der Vergangenheit einholt - es ist beklemmend. Anders als in seinen brigen "typischen" Romanen, die in ihrer Deftigkeit einen sauigeligen Spa und schwarzen Humor verstrmen, bereitet einem das, was in der Vergangenheit der Hauptperson an Schlimmem passiert ist, ein mulmiges Gefhl. Kein Buch, das begeistert, grade wenn man z.B. The Amateurs, Kill your Friends oder - mein favorite - The Second Coming kennt und liebt. Fr einen packenden (Horror)Thriller zu sanft und nachdenklich, fr einen fesselnden Schwarzhumor-Roman zu traurig und beklemmend.4 von 5 Kunden fanden die folgende Rezension hilfreich. John Niven : saviour of modern literatureVon MinimalcatI almost gave up on trying fresh authors and stuck to Bukowski, Palahniuk and Thompson. But Niven with his fresh, unspent language and ability to put you right in the middle of the plot is a boon for my daily train rides. Amazing author

KurzbeschreibungYou thought you could leave the past behind.Think again.Donnie Miller counts himself lucky. Living in a beautiful, spacious house in the wild and remote landscape of central Canada, he spends his days writing for the local newspaper, working on a film script, and acting as house-husband. After a troubled and impoverished upbringing in Scotland, he now has all he wants: a caring wife, a bright and happy son, a generous father-in-law. As the brutal northern winter begins to bite, he can sit back and enjoy life.But his peace is soon broken. There are noises in the nearby woods, signs of some mysterious watcher. When the family dog disappears, Donnie makes a horrifying discovery. Is it wolves, as the police suspect, or something far more dangerous, far darker? What secrets has Donnie been keeping? And why does he have the terrible sense that his dream was never going to last?A taut, shocking and visceral novel that will leave you gasping for breath, Cold Hands is the first thriller by the remarkable John Niven.Pressestimmen"Dazzling... This book is fantastically funny. The humour isn't so much dark as dismally black." --Independent"Believe me, this book is going to cause one almighty stink... Deeply, intelligently satirical. Niven provides hilarious, perceptive entertainment." --MirrorWerbetextFrom the author of KILL YOUR FRIENDS, a terrifying, evocative and gut-wrenching thriller
