Von Elizabeth Grayson : Color of the Wind (The Women's West Series, Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Color of the Wind (The Women's West Series, Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. One of a kind!Von Ein KundeI admit I'm a Romance junkie and read more books per month than I care to count. This book

stopped me cold...it started with two unlikable characters ; one betrayed and bitter the other shallow and uncaring.Slowly, through their journey from betrayal to redemption, my heart warmed to them. By the end of the book I admired and loved them both. It had just the right amount of suspense, passion, betrayal and forgiveness. You close the covers of the book and sigh with satisfaction.0 von 0 Kunden fanden die folgende Rezension hilfreich. Don't miss this book!Von Ein KundeExiled in disgrace to a Montana cattle rance, Englishman Baird Northcross awaits the arrival of his family. Unknown to him, his wife has died and left their three children in the care of her sister. Ardith Merritt vows to keep a deathbed promise that she will deliver the children safely to their father. A promise made all the more difficult because years earlier, Baird left Ardith almost literally at the altar to elope with her sister. This is a "western", and a "romance" of the best kind. Baird, Ardith, and all the secondary characters, are complex,interesting, and, best of all, completely believable. A richly textured story by a gifted writer who has done her period homework. Ms. Grayson cares about her characters, and it shows. Even the children, so often the weak point in a novel, actually think, talk, and behave like real children. How refreshing!COLOR OF THE WIND gives you a colorful, accurate look at life on a Montana cattle ranch in the 1880's,wonderful characters with genuine personalities, and a story of redemption, commitment, and second chances. All of this presented with humor, action, and great romance.Congratulations to Elizabeth Grayson, and a big Thank You!0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent readVon Ein KundeIn 1882 Boston, Ardith Merritt's sister-in-law dies while giving birth to a stillborn child. Her spouse Baird Northcross has never been home for his wife and three children. Currently, his aristocratic English family has exiled him to manage a ranch in the Wyoming Territory. Though she dreads seeing Baird who deserted her for her sibling, Ardith escorts his three children west so they can live with their father. Many years ago in England, nobleman Baird left fellow aristocrat Ardith at the altar and eloped with her sister Ariel.Initially, the arrival of Ardith and her entourage of his two sons and daughter shocks Baird. However, the reprobate soon falls in love with the ranch and not long after that his family and Ardith. Though she returns his love, she has never forgotten his betrayal of her. She plans to return east once the children are settled unless Baird can convince he otherwise.Elizabeth Grayson demonstrates a graceful skill in scribing an exciting western romance. The story line takes two transplanted Victorian aristocrats with an ugly past and moves them to the Wyoming Territory. Ardith is a genuine heroine who will be well received by sub-genre fans. The metamorphosis of Baird turns the plot into an arousing love story. The lead characters are a warm duo and the children add to their personal dilemmas in a realistic but charming way. The support cast provides insight to the English aristocracy's lifestyle in the American frontier. Though the treatment of wild horses is real but brutal, the COLOR OF THE WIND will garner Ms. Grayson numerous fans and much deserved regard.Harriet Klausner

KurzbeschreibungWhen Ardith Merritt promised her dying step-sister she'd take her niece and nephews to their father in Wyoming, she knew it meant confronting Baird Northcross, the man who, on the eve of their wedding, jilted her and eloped with her sister.Exiled to a ranch in Wyoming by his aristocratic British family, Baird Northcross is a failure, a scoundrel, and a cad. But the rugged beauty of the land, the unexpected satisfaction of hard work, and the presence of a woman like no other awakens the possibility of happiness... if only he can keep from destroying this last, precious chance to win Ardith's love.REVIEWS:"...a beautiful tale of redemption and reclaiming lost love. There is a power to Elizabeth Grayson's story that will move readers." ~Kathe Robin, Romantic Times"Each character suffers disappointment and loss--but in the end, they come together, learning what it means to be a family." ~Publisher's WeeklyTHE WOMEN'S WEST SERIES, in series order:So Wide the SkyColor of the WindA Place Called HomePainted by the SunMoon in the WaterBride of the WildernessMEET ELIZABETH GRAYSON: Award-winning author Elizabeth Grayson has always loved stories of adventure and romance.
