**Von Anita Mills : Comanche Rose (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Comanche Rose (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. My first ever romance novel, I just may be hooked now.Von Ein KundeI am 30 years old and before this book never read a romance novel. I picked it up by accident. I am glad I did. I read it in one evening. Although some of it I will have to say is a little hard to swallow, the characters are well presented. I didn't want Hap and Annie's story to end. Anita Mills

did a wonderful job of story telling. The next story I read will be Comanche Moon.<sup>0</sup> von 1 Kunden fanden die folgende Rezension hilfreich. great book Von Ein Kunde This is a great book. I liked it very much. I would like to read some more of her books

**Kurzbeschreibung**In the sequel to COMANCHE MOON, a devastating loss drives a woman to seek revenge. But she never expected to find love along the way. After a Comanche war party kills her husband and infant son and steals her young daughter, Annie Bryce has nothing left to live for. Held captive herself by a brutal warrior, merely surviving every day is the only act of defiance she can muster. Haunted by guilt for not preventing the Comanche attack on the Bryce family, Texas Ranger Hap Walker is surprised when he stumbles across the captive Annie three years later. Hardly recognizing the beaten down woman at first, he eventually brings her back to the civilized world, where she's met with scorn and gossip by the townsfolk suspicious of her survival. Free of her bonds, Annie finds a new reason to live with the realization her daughter is still missing but alive. Hap agrees to accompany her through treacherous Indian Territory, hopeful to be a part of the new life Annie struggles to build. In a time and place of savagery and splendor, a saga of passion and courage comes flaming to life. "This gripping story about the healing power of love will pull at your heartstrings." Joan Johnston
