Von Josie Litton : Come Back to Me before purchasing it in order to gage whether or not it would be worth my time, and all praised Come Back to Me:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Konnte

ich kaum aus der Hand legen Von A. Hillen Das Buch war einer meiner ersten historischen Romane und ich fand ihn einfach klasse! Ganz besonders, weil die Vikinger-Thematik oft bei weitem nicht so schön beschrieben wird wie in diesem Buch. Die Charaktere haben mir sehr gut gefallen und auch das Drumherum war detailreich und schön beschrieben. Kann ich jedem Fan von historischen Liebesromanen empfehlen.

Kurzbeschreibung After centuries of conflict, a peace treaty has finally been drawn between the warring Saxons and Norse largely due to the wisdom and bravery of the legendary Viking leader Wolf Hakonson and the noble warrior Lord Hawk. Hawk and Wolf each married women from warring clans to unite the Saxons and Norse. But for all its blessings, the promise of peace will remain fragile unless it can be sealed forever by a third and final marriage between these two proud clans....**Come Back to Me** The most feared Viking to come out of the Northlands in a generation or more, Dragon Hakonson, brother to Lord Wolf and friend to Lord Hawk, hopes to steal a few days away by himself before entering into an arranged marriage with a Saxon bride. But instead of tranquillity, Dragon finds intrigue and passion when he has a chance encounter with a beguiling beauty disguised in boys garb. It is clear that the fiery-haired, fiercely willed Rycca is running away from something ... or someone. Dragon is determined to uncover Ryccas reasons for escape and see her safely to her destination. Yet rather than surrender herself to Dragons care, Rycca dares to defy him, disarm him, and even enchant him. For Rycca has a secret gift that Dragon cannot see. Stalked by the tragic past, struggling to fulfill the promise of peace, only when it is too late does Dragon discover the truth: that the temptress who has stolen his heart is none other than the woman destined to become his reluctant bride....**From the Paperback edition.****From Booklist** In late-ninth-century England, King Alfred is on the throne, and an uneasy peace reigns between the Norse and Saxons thanks to his efforts. What better way to ensure this alliance than to forge marriages between the two? This is the foundation of Litton's trio of engaging novels. *Dream of Me* begins the saga with the tale of the infamous Viking, Wolf Hakonson. Wolf wants peace for his people and offers marriage to Cymbra, sister of the powerful Lord Hawke of Essex. *Believe in Me* tells the story of Hawke and his intended Norse bride, the fey Lady Krysta; and the final volume, *Come Back to Me*, involves Dragon Hakonson, Wolf's brother, and the strong-willed Saxon, Lady Rycca. Although suspension of disbelief is required a bit more in the second book than in the other two because of some dabbling in magical realism, all three share the same wonderful characteristics as they take the reader on an enjoyable journey through a well-drawn period of history. The setting, an integral part of the stories, comes vividly to life and is skillfully woven into the fabric of the characters' experiences. The characters themselves are magnetic and fully dimensional. The large and powerful men and the women, each different but with her own special "gift," are smart, funny, and believable. Readers will be captivated as each relationship unfolds, and as the series closes, they'll be anxious to devour Litton's next trilogy. **Maria Hatton** Copyright American Library Association. All rights reserved **Pressestimmen** Dont miss the first two books in this unforgettable trilogy in one breathtaking volume! *Dream of Me* and *Believe in Me* Complete in one breathtaking volume **Books One and Two** of an unforgettable historical romance series by an exciting new author, available wherever Bantam Books are sold.
