Von Patricia Watters : Come Be My Love (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Come Be My Love (English Edition):

Kurzbeschreibung Every man in her life rejected her. The only woman he ever love betrayed him. Can these two put their pasts behind and find love? Not if Governor Jonathan Cromwell has his way. When Sarah Ashley arrives in Victoria, British Columbia, to open a mercantile for the manufacture and sale of bloomer costumes, she turns his colony topsy turvy. But while she's intent on disrupting every facet of Jon's life, it seems, he can't decide whether to seduce the stunning suffragette into sweet submission, or send her away to preserve his colony... and his sanity. But Sarah didn't liquidate her entire savings just to have her dreams dashed by Vancouver Island's arrogant young governor. Come hell or high water she will establish her business despite Jon's unfairly imposed obstacles... and a longing heart that tempts her to surrender her principles for one night of passion with the insufferably handsome rogue.
