You'll love this book!Von Ein KundeWhen Ashton Wingate, much sought after plantation owner, is married, he believes it to be for life. Fate conspires against Ashton and his lovely wife Lierin though, as Lierin gets killed on their honeymoon. Three years later Ashton is still grieving after his beloved. On his way home one night, though, his driver hits a woman that looks strikingly like Lierin. Only one thing is lacking to this fairy-tale ending, though. The woman whom Ashton claims as his wife has lost her memory. She doesn't remember Ashton or their love for each other. Is she truly Ashton's wife or someone else's all together? You'll love this book. My copy is currently falling apart and dog-eared from the many times I have re-read it. Do yourself a favor and read this book.0 von 0 Kunden fanden die folgende

Von Ein Kunde Ashton Wingate, handsome plantation owner and grieving widower, is still haunted by the death of his beloved wife some three years ago. Imagine his shock, when a woman strikingly like his wife is hit by Ashton's carriage on his way home! Only one thing lies in the way of Ashton proving to everyone that this is actually his dear wife Lierin-she's lost her memory. But who is she? Is she Ashton's wife, or the wife of someone entirely different? This book is a definite must-read with finely drawn characters on many complex levels. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Come Love a Stranger Von smyrf@Columbus.rr.com This is the first book I read that she wrote and seeing the other comment on hating the ending. Kathleen has made this fav. book a series and has continued on with this family in 2 other books. The 2nd to be released in feb 2000. I am so excited waiting for that book to come out in February. I have read every novel she has published so far. If you love historical romance she's excellent

Kurzbeschreibung A woman with no name and no memory... The two men who claim her: one with love, the other with fear... A dazzling tale of secret passions--and a love tragically lost and miraculously reborn--by the incomparable storyteller. Mere days after Ashton Wingate's wedding to the enchanting Lierin, capricious Fate stole the Mississippi plantation owner's beloved from him. Now, three years later, his carriage has collided with a cloaked rider on horseback: a woman who bears an uncanny resemblance to the young bride who was swallowed up by the merciless river. She awakens from unconsciousness in his magnificent home with no memory of who she is. Yet the tenderness of this noble, caring stranger who lovingly calls her "Lierin" soon captures her heart and inflames her with wanting. Then another enters their lives, threatening to destroy the happiness they have rediscovered in each other's arms--the dark and dangerous Malcolm Sinclair, who claims the enigmatic beauty is, in fact, his own wife, Lenore. But Ashton has sworn that he will not lose his adored one a second time, and he will risk any peril to preserve their newfound joy--no matter what the unremembered secrets of his lady's past ultimately reveal. LIERIN With no name and no memory, she awakens from a nightmare of madness into the lives of two stranger. One she desires, one she fears--but both have claimed her heart. To handsome plantation owner Ashton Wingate, she is Lierin--the cherished bride cruelly stolen from him by capricious Fate. The other calls her Lenore--entangling the lost, tormented beauty in his sinister web of perilous deceit. But it is in the adoring arms of noble Ashton that her true destiny awaits--as they join together to unlock the mysteries of a shadowed past. . . and to rekindle the flames of a glorious love once vanished but never forgotten. de When pirates overrun his paddleboat and his new bride Lierin is tossed into the dangerous river, Ashton Wingate is sure he has lost her forever. Three years later, Ashton's carriage collides with a rider, and he is certain that the unconscious beauty is his lost wife. But when the woman revives, she remembers nothing but faint memories of a dark and murderous night, and feels only trepidation in the arms of her so-called husband. Willing to remain with him until she recovers, Lierin soon finds generous comfort in Ashton's care. Though her memories remain elusive, she and Ashton forge a relationship of deep passion and love. Then Malcolm Sinclair arrives and claims that Lierin is actually his wife Lenore, Lierin's twin sister. Lierin must admit that she has memories of Malcolm, though Ashton vows to never lose her again. Tensions flare between the men, and the growing danger seems frighteningly familiar to her. Will Lierin and Ashton be able to uncover the secrets of the past in time to secure a future together? First published in 1983, Come Love a Stranger has remained a favorite among Woodiwiss fans for good reasons. Set in the South in the 1830s and dappled with well-formed characters, this book is fresh and entertaining on every page. Touches such as a burning madhouse, a melodramatic ex-girlfriend, and a deliciously malevolent villain make for a great read. --Nancy R.E.
