Spooky! Von ladybug10 The paths of Adam Dagenham, Marquis of Daventry, and Miss Charlotte Victor, cross in an unlikely manner one lovely spring day. Both are smitten with one another, and after a hasty marriage, they settle down to several months of wedded bliss - until a charismatic stranger named Richard Brimley walks into their lives. Brimley seduces them both, then sullies their love by planting the seeds of jealousy in Adam's heart. As the book opens, we see the fruits of his labors, as Adam and Sherry are at one another's throats in a love-hate relationship that painfully contrasts to their love-at-first-sight paradise. By then, Brimley has mysteriously disappeared, but a new, charming character by the name of Edmund Burnell takes his place, and with frighteningly similar actions, he also slowly insinuates himself into Adam's and Sherry's lives. Something about Burnell finally opens Adam's eyes, and what he sees, remembers, and learns further as the story proceeds, is downright scary. When the book starts, Sherry is the one trying to rekindle their relationship; midway through, the tables turn, and it is Adam who struggles to save them both - literally. KM tells this story in three parts: "A Small Society," followed by "A Dangerous Game," and climaxing with "Good and Evil." I enjoyed her writing style, which included introducing each book and each chapter with a literary quote hinting at the contents. She also tells the story by moving back and forth in time between the past and the present, but I was never confused because - and I know this sounds strange, but it works - the typeface for the past is different than that of the present, so that the effect is similar to looking through a lens at a distance. Very ingenious. This book was more than a romantic story; it takes themes of good and evil, and the limits of the power of each, and weaves them into a story about everyday life. I thought KM did a very good job of portraying evil in its various manifestations, and contrasting this with both the strength and the vulnerability of innocence. I was spooked a little at how well she wrote the concept! There were some twists to the ending that I didn't see coming. My only criticism revolved around Sherry's character, which was portrayed as so perfect that at times she seemed shallow. But overall, I found this to be a delightfully different story, and one I'm happy to recommend. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A Winner! Von Amy Since this is my first time in writing a review for a book....bear with me. I absolutely loved this book...for the writing, the story, the hero/heroine relationship, and, most definitely, the concept. Wonderful story of good vs evil, literally. And to say anymore along those lines, would give away the plot. This was definitely an original for me, and made my keeper shelf and one of my best books for 2000. I'm not kidding when I say that COME NEAR ME was the first book that I can remember literally not being able to put down....I found myself walking around the house, reading. Hung onto every word. A bit dark/grim...maybe a bit controversial, but for me, those were the high points. Please, give it a try! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Not up to Kasey Michals usual standards Von Ein Kunde Like one of the other reviewers I could not finish this book. It was really too far fetched and boring. If Adam loved Sherry with all his heart he sure did not act like it. I do believe in Devils and Angels also but this book was bad! bad! bad!

Kurzbeschreibung**For a limited time, get two free books from Kasey bit.ly/kaseymichaels (just copy and paste into your browser)**From New York Times bestselling author Kasey Michaels comes an engaging dark gothic romance set in the Regency era.
