Von Julie Garwood : Come the Spring (Claybornes' Brides (Rose Hill)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Come the Spring (Claybornes' Brides (Rose Hill)):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Kind of

a disappointing end to the Roses. Von Ein Kunde It wasn't a really bad book, it just wasn't very memorable either. I really enjoyed "For the Roses" and I even got a kick out of the Red, White and Pink novels. BUT this was a disappointing conclusion to the rest of the series and it was a very disappointing take on Cole's story. (Personally, Cole was one of my favourites and there was so much more that could have been done for him.) Where were all of the other brothers? Where were Mama and Mary Rose? Daniel was all right, but if you ask me, he should have been left out of the story, and his pages should have been devoted to the rest of the Clayborne clan. If you're a big fan of Garwood and the Roses series, read it. If not, pick up one of her other novels instead. You'll enjoy it more. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A hard-to-read "must read" Von Teri Wiseley I looked forward to reading this book for some time. It is the final installment in the "For the Roses" series. I was disappointed that it did not keep with the style of the preceding books in this series. The explicitly graphic violence at the beginning of the book is disturbing and nothing like the stories preceding. This overshadows the plot. There are some stunning plot twists and I was unable to put the book down. However, I was disappointed that Ms. Garwood changed her style just at the end of a delightful series. To date Julie Garwood's style has been romantic, humorous and upbeat. None of her stories have had the same plot. Like many of her contemporaries, she is attempting a more gritty, hardcore style. While she does this in a riveting manner and she has a right to grow as a writer, it is a letdown to the faithful readers who made her a bestselling author. Perhaps Ms. Garwood and her fellow romance-turned-action writers should use a different pen name for different styles. This book is a "must read" for the Garwood fan. It does bring closure to the Clayborne saga. But it is not a comfortable closure. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Julie Garwood's best yet Von Ein Kunde The bank in Rockford Falls, Montana is held up by a glib talking killer and his cohorts, who methodically execute any possible witnesses. However, due to clumsiness on the part of a female client, unknown to the outlaws, one person survives the massacre. Knowing he needs some insider's thinking, the U.S. Marshal Daniel Ryan enlists an unconscious Cole Clayborne to help him catch the bloody cutthroats. Cole has been known to stretch the law and although he and his new partner do not seem to get on well together, they travel to the site of the latest robbery-killings. Back-up also arrives in town. In Rockford Falls, a search of the records leads to the conclusion that a female witnessed the dastardly crime. However, there are three possible candidates. Each one eventually bewitches a different marshal. Still the outlaws have learned that someone can identify them. They too are not sure which female is the witness so they plan to eliminate all three unless their law enforcement lovers can intercede and stop the gang from a final cowardly deed. The five novels that make up the "Rose" series are considered some of the best books written in the nineties. Julie Garwood's latest offspring from that tremendous collection, COME THE SPRING, is as good, if not better, than the previous novels. The "good guys" are all charming even as they suffer from flaws and the villains, especially the leader, are cold bloodedly efficient and exciting. However, the story line with its tremendous prose and building suspense, turns this book into the rare confines beyond that of a keeper to that of a long term literary classic. Harriet Klausner

Kurzbeschreibung Julie Garwood triumphed with her phenomenal For the Roses and her #1 New York Times bestselling trio of novels, One Pink Rose, One White Rose and One Red Rose. Now, she brings her irresistible and heartwarming wit to a delightful new love story featuring the unforgettable frontier family, the Claybornes of Blue Belle, Montana. Cole Clayborne had always walked a dark path and flirted with a life of crime. While his three brothers chose to settle into married life, Cole rebelliously refused to be tied down. Now, an elusive stranger draws him into a shadowy chase that will bring unexpected turns to his uncertain future -- and may determine which side of the law the restless Cole favors. A tragic, heartbreaking loss drives U.S. Marshal Daniel Ryan on a quest for vengeance -- and leads him to a beautiful young woman, the sole witness to a terrible crime. But the lawman finds that love is the greatest trial of all as he unwittingly draws her into the line of fire. The power and drama of their blossoming passion, entwined with the surprising destiny of the wayward Cole, make Come the Spring a superbly entertaining adventure inside the heart of "a family whose love and loyalty will truly inspire" (Romantic Times).. de Cole Clayborne has been tricked into accepting a badge and the title of U.S. Marshal by Sheriff Marshall Ryan. He would refuse the badge if he could, but the Blackwater Gang is up to no good and Cole feels compelled to help. Sheriff Ryan has been chasing the gang for two years--ever since they murdered his wife and daughter during a bank robbery--and he needs Cole to help him solve the case. When the Rockford Falls bank is robbed, only one witness is left alive. Terrified by the ordeal, the lone survivor won't come forward to testify; Cole and Daniel's only clue to her identity is a list that includes the names of three women who conducted business at the bank that afternoon. Is the eyewitness the beautiful, aristocratic Rebecca James or the exquisitely lovely Grace Winthrop? Could it be the seductive Jessica Summers? Somehow, Cole and Daniel have to keep the three women safe while solving the bank robberies and tracking down the killers. But the biggest danger of all may be the threat of losing their hearts to one of the beautiful women.. com Cole Clayborne has been tricked into accepting a badge and the title of U.S. Marshal by Sheriff Marshall Ryan.
