Von Alexa Land : Coming Home (The Firsts and Forever Series Book 9) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Coming Home (The Firsts and Forever Series Book 9) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. tolles cover, beinahe tolles buchVon SnorkelingDas Cover fngt einen ein, nicht wahr? Der Anfang der Geschichte von

Coming Home auch. Chance, die Hauptfigur, hat einen hnlich eindringlichen Blick durch die Linse seiner Kamera. Damit fngt er auf einer Hochzeitsgesellschaft auch Finn ein, den Bruder des Brutigams. Aber Chance hlt sich von allen auf der Party fern, nicht nur, weil er der Fotograf ist und einen Job zu erledigen hat, sondern weil er ein "Rentboy" ist und sich nicht zu der "normalen" Gesellschaft zugehrig fhlt. Coming Home ist eine M/M Liebesgeschichte und daher finden Chance und Finn, immerhin ein Cop und daher von Chance eher skeptisch betrachtet, natrlich zusammen. Nur die Art und Weise, wie die Autorin in der zweiten Hlfte des Buchs diese beiden Figuren zusammengefhrht hat, ist mir zu melodramatisch. Chance hat auf der Strae berlebt, nachdem er mit 14 von Zuhause ausgebrochen ist, er hat sich mehr als ber Wasser gehalten. Die entscheidende Wende hin zum Happy End ist mir daher zu over-the-top, sieht dem berlebensstyp Chance nicht wirklich hnlich. Und das dick aufgetragene Happy End... ist mir wirklich zu slich. V.a. ging mir die "Oma" des Ganzen, die ex-Mafia-Gromutter Nana, ganz gewaltig auf die Nerven. Sie soll wohl das "Herz" der Truppe, die Alexa Land in ihrer Serie versammelt, bilden, aber fr meinen Geschmack war sie viel zu penetrant "regenbogenheftig" und berhaupt zu grell. Schrullig liebe ich, grell nicht. Aber das soll jeder Leser selbst beurteilen. Fazit: Tolles Cover, gutes Potenzial, aber fr meinen Geschmack in der zweiten Hlfte zu schnulzig. Leider!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. So, so sweet... Von shinobia Warning: You might easily die of sugar intoxication while reading this book. There is Chance. A young man of 26 years. He ran away from home after being sexually molested for a year. To stay alive, he had to sell his body for the last 12 years. You'd expect him to be physically and mentally destroyed by sincere abuse as well as drugs or alcohol, bad nutrition, depression, nightmares, loneliness... But you are wrong. Chance suffers only from a mild case of trust issues and a very severe case of heroism. He sends a cheque home every month to take care of his younger brother and his mother, he takes care of his best friend, he worries about everything in the world. There are no scars, neither on his beautiful body nor on his even more beautiful soul. Just a few bruises that can be hugged and kissed away in about just a minute. The same goes for his kid brother, for Elijah and almost everyone in this book - good people get hurt but love save them all. This book ain't no fairy tale. In fairy tales there are dragons and monsters and evil witches who got properly slain by larger-than-life-heroes. That's fine. It's important to know that evil can be destroyed and good does exist somewhere. This story has no evil, not even the tiniest dragon. There are a few people who are bad, stupid, bigot. But they don't get much screen time and are fast forgotten. It's much more important to show who deep the love and care is. Not only between Chance and Finn but all the family and friends as well. In between there is need for some rescue mission for different guys, a bit cooking and some hilarious stunts of a certain 80years old granny... But that is just decoration, it really is all about the sweet, sweet love. I think I put on about 10 pounds just by reading it and I will have lost all of my teeth by next week because everything is just sugar. Not even a hint of reality that might disturb all the love going on, the amazing bed sport, the love and care of all these people. Never mind. Sometimes it has to be a big portion of chocolate. So go ahead if you are in for sweetness and never-ever-ending love. It's just too sweet to miss it out! 0 von 0 Kunden fanden die folgende Rezension hilfreich. I'm loving it as always Von Customer I loved their story and I can't wait to hear Nico's story next I always thought he's going to get with Jessie he's Sooooo Sweet but guess we'll just have to see would be nice If Jessie will find someone to love too... At least I'm sure it will get very very exciting the next one with the Mafia and everything...

Kurzbeschreibung For twenty-six-year-old rent boy Chance Matthews, surviving day-to-day in San Francisco is difficult enough. Then an ill-fated road trip to Wyoming to search for his biological father throws his life into a tailspin. When a string of catastrophes leaves him stranded and desperate, help comes from the last person he'd expect. His knight in shining armor is everything he could want and then some, but Chance is sure a man like that would never want someone like him. That's the stuff of fairy tales, and he stopped believing in those a long time ago. This male-male contemporary love story is the ninth book in Alexa Land's best-selling Firsts and Forever series, but each book can stand alone, so jump in anywhere. Please note: includes graphic sex and explicit language. Intended for adults only.
