**Von Griff Hosker : Commando (Combined Operations Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Commando (Combined Operations Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good read but lacking in historical depth.Von David BairdI enjoyed the book thoroughly and I have been waiting for a long time to find an author who would write about the commandos during the Second World War ,but, I felt there was some details were being left out especially during the training phase and there wasn't enough historical background given to

the raids ( maps and pictures). I would recommend the book as it is a good read.

KurzbeschreibungIts 1940 and the British Expeditionary Force is caught ill prepared for the onslaught of the German Blitzkrieg and its deadly panzers. Caught in the desperate retreat to Dunkirk, Tom Harsker, son of a World War 1 ace, discovers he is a natural soldier. Escaping to England and with complete disaster narrowly averted, Tom is selected to join the newly formed Commandos. With Britain standing alone and the seemingly inexorable German forces massing across the Channel for invasion, Tom and his fellow Commandos must battle against all odds in daring raids to buy precious time.
