**Von A.C. Donaubauer : Commitments: The Order - Book 2 (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Commitments: The Order - Book 2 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. As fascinating as part oneVon CustomerThe author managed to write a sequel that is no less fascinating than part one "the order". Again I was completely captivated by the characters and had the feeling of being part of the action. Once more definitely a must-read!1 von 1 Kunden fanden die folgende Rezension hilfreich. Die Geschichte geht weiter...Von CharlyDas erste Buch gerade beendet und erst mal Trbsal geblasen. Auf gut Glck hatte ich die Autorensseite von A.C.

Donaubauer aufgerufen und fassungslos festgestellt, dass der zweite Teil "Commitments" erschienen ist. Ich habe mich sofort ans Lesen gemacht und circa 900 Seiten später ein wenig traurig meinen Kindle geschlossen (Wieso ist das Buch schon vorbei??). Die Beziehung von Eryn und Enric hat sich weiterentwickelt, beide haben eine unglaubliche Reise angetreten, Freunde und Familie kennengelernt und Hindernisse überbrückt. Ich wünsche mir einfach, dass die Geschichte niemals enden würde. Wie auch der erste Teil "Der Orden" eine klare Kaufempfehlung! Jetzt heißt es warten auf den nächsten Teil, der hoffentlich bald erscheinen wird!

Kurzbeschreibung Ram'an has, to Enric's great relief, left Anyueel again to return to his home country - which leaves him to figure out the challenge that Eryn still presents to him in more than one area of his life. Eryn is restless, unnerved by the Order's demands and her own urge to do something useful. Thus an expedition into the woods to teach the herb gatherers in the city how to provide her with acceptable goods seems just the thing to do to pass the time until the new healers place is ready for use. Ten peaceful days of collecting plants far away from the city. Or at least that's the plan.
