Great little Story Von Simone Haeseler Just like all her books, this is a great story, a little bit short but it is a Novella. I like, when women are not weak in the books and when they stand up for themselves. Victoria acted like a real woman would react. I liked, that when she met his daughter, that she called him and told him what she said. I would have loved if the

story was a little longer and I always love the POV's from her and him.0 von 0 Kunden fanden die folgende Rezension hilfreich. just OK Von Bcherliebe Diese Kurzgeschichte hat mich beim Lesen sehr stark an 'Missing' von Noelle Adams erinnert. Nach dem Nachwort wei ich auch warum. Es hat beides dieselbe Schriftstellerin geschrieben. Aber an Stellen, an denen 'Missing' sich hervortat, konnte 'Complicated' nicht punkten. Im Prinzip geht es um den 43 Jahre alten, wohl situierten Greg, der mit der 12 Jahre jngeren Bibliothekarin Victoria seinen zweiten Frhling erlebt. Das Buch fngt an, nachdem beide schon seit drei Monaten eine rein krperliche Beziehung hatten. Sie wollen beide insgeheim mehr, aber versuchen sich an die Abmachung zu halten. Als seine gerade erwachsene Tochter die Liaison entdeckt, gibt es Zickenalarm. Der werte Leser sei vorgewarnt, dass auf der Hlfte der 80 Seiten mchtig kopuliert wird. Dabei war die Chemie zwischen den beiden deutlich zu spren, nur die Handlung blieb halt recht flach. Dafr dreieinhalb Sterne.

Kurzbeschreibung The only wild thing Victoria has ever done is have a hot fling with a wealthy, sexy, much-older man. They want to keep it simple just a hot secret they hide from the world and it works fine for a couple of months. They get together and have sex. Great sex. A lot of sex. The hottest sex shes ever had. But suddenly their simple fling becomes tangled and messy when their personal lives and feelings start to get in the way, and Victoria has to decide if the sex is worth the complications. This book was originally published several years ago under the same title and a different penname. It has since been revised and reedited.
