KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 5 StarsVon KDConflicted on 5th Avenue ist das erste Buch in der 5th Avenue Serie von Abbie St. Claire. Single Vater Ian zieht mit seinem Sohn Oliver in das Haus neben der Alleinerziehenden Chelsie und ihrem Sohn Ty. Beide haben schlechte Erfahrungen und ngste zu verarbeiten. Sie entwickeln tiefe Gefhle freinander, aber ihre Probleme knnen ihnen dazwischen funken . Dann landen sie miteinander im Bett und es sollte ein HEA geben. Aber dann geht es eigentlich erst richtig los....Lieblingsquotes: Let your heart be your guide and follow it. Ian, people put up walls to make others try harder. It's human. - I'll try anything because you are worthy of everything. My love for you needed time to bury my darkness.Ich habe das Buch auf einen Rutsch durchgelesen und freue mich schon auf Teil 2! 5 Sterne und Danke Abbie St. Claire
