Shifting SentimentsVon MamalindeGenerations of the Cazalet family plod through the frightening currents of WWII in England. The bombing and war work seem to reach a "normalcy" and the (huge!) cast of characters muddle through life as it has now become. Goals necessarily must shift; rationing and grim food is a constant irritation; but love and

life experiences do go on. The author realistically, but not unkindly, portrays the muddles in personal relationships. The Reader should be warned: this book ends on quite a cliff hanger. You'll want Book IV handy for uninterrupted enjoyment.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great joy and pleasure to read this. Von Marianne when I bought the DVD I learned from the reviews that this was not the whole storie, and so I bought the 3 books ,a great pleasure to read,

Kurzbeschreibung Confusion is the third novel in Elizabeth Jane Howard's bestselling Cazalet Chronicles. London and Sussex, 1942. The privileged English family in turmoil . . . The long, dark days of struggle provide the poignant background to the third book of the Cazalet Chronicles. As the war enters its fourth year, chaos has become a way of life. Both in the still peaceful Sussex countryside, and in air-raid-threatened London, the divided Cazalets begin to find the battle for survival echoing the confusion in their own lives. Read the next books in the series, Casting Off and All Change, or start from the beginning with The Light Years and Marking Time.
