Kurzbeschreibung Emotionally gripping, psychologically complex, and deeply romantic, A.E. Murphy's brilliantly drawn characters in the BROKEN series will stay with you long after you turn the last page. --Heather Anastasiu, author of Glitch (St. Martin's Press)*****Stuck between what feels wrong but should be right and what is definitely wrong but feels so right, Gwen has to deal with her new life and being a single mother to her baby, Dillan. Whilst trying to move on and fill the gaping hole that Caleb left behind, she struggles with the knowledge of what happened to Nathan. She doesn't know how to deal with it, knowing it could be her that saves him, but not wanting to betray Caleb, who still holds the largest piece of her heart. Her mind is a mess and, just as life starts looking better, dark secrets and a past she shouldn't be a part of threaten to rip her bliss into shreds. Who will she choose? And, more importantly, can they survive what is thrown their way? This is the final part to the Broken series. Mature readers only (18 +) Approx 123,000 words.
