Von Ruth Langan : Conor (Mills Boon Vintage 90s Modern) before purchasing it in order to gage whether or not it would be worth my time, and all praised Conor (Mills Boon Vintage 90s Modern):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Heart-stopping adventure and intrigue!Von Ein KundeWhen first we meet Conor and Emma, we learn of his intelligence and realize he is hiding another identity. Innocent Emma doesn't know her hero will once day become her destiny.The dangerous game Emma and Conor are forced to play at court keeps a reader's heart pumping in her throat. It's a danger that carries through to their first volatile kiss, one which awakens scorching passions beyond the dictates wisdom allows in their situation.Conor's character is further revealed when he tenderly watches over a wounded Emma. His manly integrity, though tested daily by his growing feelings for Emma, remain in tact. He cannot force himself upon her innocence no matter how much he physically desires her. When she's well and able to attend court once more, even

drunk and miserably jealous, Conor manages to leave Emma untouched. Emma's dilemma deepens as she realizes she is falling in love with the man she must use shamelessly so that she may spy for her wicked stepmother. The outcome looks grim indeed, but she is determined to see her father and sister again, even if it means seducing and deceiving the man she's beginning to love with all her heart. On a midnight journey, Conor leads Emma into discovering her sister and father being held captive in unspeakable conditions, drugged and weak. Emma can't bear to leave them, but Conor wisely forces her to return to the palace with him. Ruth Langan takes us through a heart-pounding rescue, but that's only the harbinger of this book's mounting excitement, as Conor soon finds himself in need of rescuing. Emma gives the reader a thrilling performance while saving Conor from peril. On the return to the palace life they both hate, Conor and Emma gift each other by physically expression their growing love. Their lovemaking shatters the night with everlasting sweetness destined to warm Conor's soul for years to come. You won't be able to stop turning the pages as disaster grows imminent and their plight becomes critical. Emma and Conor barely escape the claws of death so many times it causes one's heart to stop beating. The author has rendered an ending that will amaze and amuse you to no end. It's another magnificent book from Ruth Ryan Langan's deft writing mind. Her work never, never disappoints.

Kurzbeschreibung THE O'NEIL SAGA A family driven by destiny! An Honorable Rogue Gifted with a smooth tongue and a sharp blade, Conor O'Neil sought to avenge the hardships his people had endured. But while he played a risky game of politics and power, Emma Vaughn played an even riskier game still. An Innocent Seductress Emma was shy and innocent, until she arrived at the queen's court with one duty-filled goal - to turn Conor O'Neil's attentions from intrigue to pleasure. But though each flirtatious caress brought her closer to success Emma was beginning to wonder on which side her true loyalties lay. Kurzbeschreibung THE O'NEIL SAGA A family driven by destiny!
