**Von Skyla Madi : Consumed (Consumed Series Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Consumed (Consumed Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. If you're into MMA fighters, this is a must read!Von Steffi4.5 starsWow, what a huge surprise. I was just looking for a quick read as filler in between more intense books. What I didnt expect was that Consumed would sweep me of my feet and completely consume me!Olivia James just broke up with her boyfriend of 6 years. Granted, hes a cheating, lying

bastard but hes all she knows. Finally, Olivia finds the strength inside her to make a clean break and stick to it. Every day, she stops by her fathers gym to work out. When she first sees Seth her world stops spinning for a minute. All she can do is stare at this beautiful, sexy man. Seth Marc is a fighter, a MMA fighter with many secrets. Training in a new gym, hes trying to get back into the sport and fight professionally. He loves his women willing and with no strings attached. From the moment he first spots Olivia, he knows shes too good for him. She wont be one in a long line of women and he doesnt want her to be. At the same time, hes not ready to enter a relationship. Only problem is he cant seem to let her go. While this romantic plot line of the hero being reluctant to enter a relationship with the heroine is familiar, Consumed is not an average story. Olivia and Seths chemistry is a rare one and the type of sizzle I always look for in a romance. Skyla Madi knows how to build up tension and write a hot sex scene. Seth is very honest with Olivia and I loved that. Quite quickly, Seth realizes that she is worth getting past his fears. What I loved most about this book was the intensity with which Skyla Madi tells this love story. Its a story of trust, hope and giving yourself over to another person and trusting them to keep you safe. Olivia sees the good in Seth, she knows who he really is, and finally he starts loving himself again as well. The pride Olivia feels for Seth and the love that starts blossoming between the two, thats the biggest gift Seth could have ever received and, in the course of the story, he knows to appreciate it. He is not an easy man to love and not everything is perfect between Olivia and Seth but once they decide to be together, they are committed. My only complaint has nothing to do with the plot or characters but with the editing. There are some tense and grammar issues. Little things like a sentence being repeated right after the first one didnt distract me enough not to love this book but, considering that this is not a self-published novel, theyre a big no-no. From a publisher, I just expect to proof read the book in a way that big mistakes anyone would spot, are corrected. I think its not only something that I, the reader, expect but the author should as well. After all, she gives her book over to the publisher, trusting them to do a good editing job. Consumed is a wonderful book and I wholeheartedly recommend it! It took me by surprise and it was the most pleasant surprise ever. I quickly fell in love with Seth and the way he treats Olivia made my heart melt. This book has a happy ending but Olivia and Seths story continues in Too Consumed. We will also get to know more about theyre best friends, Selena and Jackson. Personally, I cant wait for Too Consumed to be released. Skyla Madi has a way with words and a special talent for storytelling. She enchanted me with this fantastic romance and has a new fan in me!! 0 von 1 Kunden fanden die folgende Rezension hilfreich. best ever Von Customeroh my god its so good! people who loved beautiful disaster are right here! have dun reading it guys! xo

Kurzbeschreibung\*\*Mature Content Warning\*\* Recommended for ages 17+ due to language and sexual content. Olivia James has never been one to walk on the wild side, at least not until she meets Seth Marca cocky, sexy fighter at her fathers gym. Hes infuriating, nauseatingly addictive and she just cant seem to shake him. Hes only been in town a short while and his name is already on everyones lips. Hes the kind of guy moms warn their daughters about the kind that leaves a trail of shattered hearts behind him and he has Olivia in his sights. Olivia has never met anyone as confusing as Seth and his hot and cold attitude constantly sends her reeling. Shes never wanted anyones touch so badly in her life, but having recently come out of a long term relationship diving into another is something she'd prefer to avoid. Determined for his touch, but not to let him under her skin, Olivia embarks on the most thrilling ride of her life.
