authentisch gezeichnet. Ich freue mich jetzt schon auf die Fortsetzung.

Kurzbeschreibung Clare and James first found each other when they were teenagers. Their meeting was brief but the connection they each felt would linger long afterwards. They wandered out into the world, growing up, living their lives, but something of that experience, that other soul, had always stayed with them. In life and love some connections go further than the distance between two people, and some bonds, no matter how hard the labours of life try, can never be severed.
