Super schwarz und gruselig!Von KatmiezeIch mag die dster-humorigen Geschichten von Neil Gaiman, und auch diese hat mich berzeugt...nur wrde ich es nicht in die Kategorie "Kinderbcher" stecken...ist eher eine Geschichte fr Gro und Klein (va. aber Gro)...0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung Coraline discovered the door a little after they moved into the house. When Coraline steps through a door in her family's new house, she finds another house strangely similar to her own (only better). But there's another mother there and another father, and they want her to stay and be their little girl. They want to change her and never let her go. Acclaimed artist P. Craig Russell brings Neil Gaiman's enchanting, nationally bestselling children's book Coraline to new life in this gorgeously illustrated graphic novel adaptation. Pressestimmen 'I think this book will nudge ALICE IN WONDERLAND out of its niche at last. It is the most splendidly original, weird, and frightening book I have read, and yet full of things children will love' Diana Wynne Jones 'This book will send a shiver down your spine, out through your shoes and into a taxi to the airport. It has the delicate horror of the finest fairy tales, and it is a masterpiece. And you will never think about buttons in quite the same way again' Terry Pratchett Kurzbeschreibung Coraline discovered the door a little after they moved into the house.
