Von Kelly Walker : Cornerstone (Souls Of The Stones Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cornerstone (Souls Of The Stones Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Naja...Von animaIch hab nach der Hlfte aufgehrt zu lesen. Es ist nicht richtig schlecht geschrieben - die Geschichte

wre ganz spannend (Drei verfeindete Reiche, eine arrangierte Hochzeit, geheime Fähigkeiten, versteckte Feinde Geheimnisse)...ABER es ist irgendwie langweilig. Ich fieber nicht richtig mit, es passiert nichts viel (nach der Hilfe ist jetzt eigentlich nicht mehr passiert, als dass sich Emariya auf den Weg zu dem Nachbarland macht, um dort den Prinzen zu ehelichen, weil es ihre einzige Hoffnung ist, ihren Vater zu retten, der im dritten Reich in Gefangenschaft lebt. Sehr spät erfährt sie, dass sie die Fähigkeit hat, mit Steinen "zu sprechen"...)...naja - wie gesagt, es ist einfach nicht spannend. Ich müsste mich dann doch sehr zwingen, noch weiter zu lesen.

Kurzbeschreibung Emariya's life was nearly over before it started. Hidden under the floorboards while her mother died above her, she escaped a brutal death then only to go racing toward it now, sixteen years later. After learning her father has been captured, Emariya is desperate to save him, no matter who she has to turn to for help. Oblivious to her potential gifts and the secrets surrounding her dual heritage, Emariya makes a bargain with the prince of a rival land, Torian Ahlen. In exchange for her hand in marriage, he agrees to send his forces to rescue her father. With the arrangements made, Emariya embarks on a tumultuous journey through two kingdoms as different from each other as the families that rule them. Before long, Emariya comes face to face with her mother's killers, and learns of an ominous prophecy: her and Torian's bloodlines must never be combined. Armed with this frightening new knowledge, Emariya begins to fear the handsome prince may desire more than to steal her heart, and it will take all of her newfound skills to survive.

ber den Autor und weitere Mitwirkende Kelly Walker is a part time novelist, full time wife, and an all the time dreamer. Her first promotion was 9 years ago and it came with the job title of 'Mom'. Her second promotion came with no raise in pay but a huge jump in responsibility when she became 'Mom of two'. It's a rewarding career but the retirement plan sucks. She is a huge advocate of animal rescue and adoption and shares her Virginia home (and couch) with three dogs and two cats.
