Great start into the Blacktop Cowboys series!Von CassandraA threesome that wasn't meant to be right from the start. A bullfighter, a bull rider and a sports therapist with a worshipped dead father.When things aren't going as expected

Hank and Kyle offer Lainie a once in a lifetime choice. Not knowing what to do with herself, she says yes...and that's when things are getting intense and out of hand. This story is about making decisions, standing on a crossroad, friendship, family, love and lust. oh and creative when it comes to three people getting hot with each other! There are some very hot scenarios that make your heart race and your panties melt! 0 von 0 Kunden fanden die folgende Rezension hilfreich. not her best but interesting Von lizzy I enjoyed this book very much though it is not quite as hot and touching as her other series .Still a typical Lorelei James goodie. I just love her writing style .But very .interesting insight in the rodeo circuit and the anti female politics there .The love story shows rather realistic that a menage is not as easy to handle as described in many other novels .

Kurzbeschreibung Sports therapist Lainie Capshaw has been rehabilitating injured cowboys long enough to know that a charming western drawl combined with a fine physical form doesn't mean you fall for the man. So no one is more surprised than Lainie when she finds herself involved with not one, but two different men: Hank Lawson, a bullfighter, and Kyle Gilchrist, a bull rider. Lainie feels guilty, but it doesn't keep her from doubling her fun until Hank catches her with Kyle. She's shocked that Hank isn't mad. But she's more shocked to learn Hank and Kyle are hometown buddies. But when the men offer to share her over the rodeo season in every way she knows that by summer's end she'll have to choose only one man who can give her the ride of her life.
