**Von Helen Harper : Corrigan Lust (Corrigan Series Book 5) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Corrigan Lust (Corrigan Series Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Last part of the Blood Destiny series from Corrigan's POV. And again it's great fun for fans.Von MinaNote: the Corrigan-books are a retelling of the Blood Destiny series from the male protagonist's POV and you should at least know the main

series to fully appreciate this book. Review If you know the Blood Destiny books, you surely remember that the last part entails the aftermath of Mack's coerced separation from Corrigan [which he doesn't take too well], various fights against the devious villain Endor, the spectacular showdown and a very fine epilogue. And I was thrilled to read all this from the mighty Brethren Lord's POV, but I have to admit that this time, he sometimes didn't feel as much as a shapeshifting man, as he did in the previous books: maybe it's me, but he sounds a bit like a woman thinks a man should think and feel after a breakup. But no worries that doesn't really impede the fun. The only thing I really thought unfortunate was the fact that Corrigan is unconscious during most of the showdown, so we don't really see what he thinks of Mack's glorious fight. But what made up for it was the great epilogue that added a nice touch to the whole series. As with the other Corrigan-books I recommend the book for fans of the main series in general and the mighty Lord in particular.

Kurzbeschreibung Things aren't looking particularly rosy for Corrigan, Lord Alpha of the Brethren. Just when he'd thought that Mack was going to be his forever, she dumped him front of half the Otherworld leaders. With the growing threat of the necromancer, Endor, to deal with, not to mention his turbulent feelings concerning the fiery, red-headed dragon, Corrigan is going to have a lot on his plate. This is the fifth and final book in the Corrigan series, re-telling the events of Bloodlust from Corrigan's point of view.
