**Von Todd Young : Corrupted (Corrupted Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Corrupted (Corrupted Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Todd Young writes one of the best GAY EROTICA Von Lena Ribka I'm crying now. Because of this book. \*\*\* IT WAS MY LAST BOOK on my to-read list of Todd Young. I've read EVERYTHING. Except maybe some existed secret letters, emails and notes. I have to send Edward Snowden a friend request on FB. I can only hope that Todd will never loose his inspiration and imagination and desire to write. \*\*\* IT MADE ME CRAZY! Bradley made me crazy. Justin made

me crazy! God, I became almost a killer because of Tom!!...And I'm not going to tell you HOW I LIKE the writing of Todd. How different and unique it is....I'm not going to tell you that you can LIKE his books without necessary LIKING and UNDERSTANDING the characters. Because he just doesn't write a MM-Romance where you want to sleep with a MC if you're a MAN and you want to be a MAN to sleep with a MC if you're a woman. What for a shame, but I'm with you. We poor we....I'm not going to tell you that in spite of you don't want to sleep or have sex with the MC, you will FEEL HIS BREATH because he is soooooo REAL and soooo CLOSE, you will feel every his emotions, you will suffer with him, you will be hurt because of him, you will probably kill for him. Because Todd is one of the most talented writers if it is considering the excellent portraying. His characters LIVE on the pages of his book, they are not miles and miles away, they are inside of you....I'm not going to tell you the story of this book. Except- I LIKED IT. Except- I didn't like what happened to Brad, I didn't like that he couldn't understand a lot of things. I hated how Justin treated him. Because he was supposed to be his ONLY real friend. I'm not going to tell you that I was ready to kill Tom. I was very very close to it. And don't ask me if there was a HEA. I f\*g DON'T KNOW. I'm still thinking about it. But I'm going to tell you that Todd Young writes one of the best GAY EROTICA. And this book is just the next solid evidence and strong proof for it.

Kurzbeschreibung Brad is short of cash. He's lost his job, and if he can't find the rent money by Friday, he's going to be evicted. He answers a job to work as a strip-o-gram, but ends up getting more than he bargained for. Kurzbeschreibung Brad is short of cash.
