Von Lois Greiman : Counterfeit Cowgirl (Love and Laughter) before purchasing it in order to gage whether or not it would be worth my time, and all praised Counterfeit Cowgirl (Love and Laughter):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Even though I don't read Harlequins, I enjoyed this one!Von Ein KundeThis is a wonderful story of a spoiled rich girl who finds out what work really means from a no nonsense, handsome farmer. I love how Lois Greiman makes each character so alive, little details that make you believe they could really be living out there in North Dakota.Beautiful Hannah Nelson, accustomed to servants and unlimited credit, is forced to "hide-out" in a very dirty farmhouse with mouthy bachelor Tyrel Fox and his brother. Hannah's transformation into a likeable person and the softening of Tyrel's heart is written so well, yet it's the twist in the story that is surprising and all the more heartwarming!! What is the

twist? ... You'll have to read the book!!

KurzbeschreibungThe cowboy and the city slickerTo Hannah Nelson the idea of roughing it meant using her gold charge card rather than Daddy's platinum one. Now, however, she had bad guys on her trail and she was forced into exile hiding out at the ends of the earthNorth Dakota!Cowboy Tyrel Fox knew everything about Hannah the moment her fancy city boots hit his ranchhe'd been burned by her type in the past. Despite his common sense, he let her stay. First, she set fire to the kitchen. Then she dressed his newborn calves in pink cashmere. Pink! Hannah was also the sexiest and sassiest filly he'd ever met, and before he knew what hit him, she'd lassoed his heart. But could Ms. Rodeo Drive trade her high heels for a pair of spursand a cowboy's love?KurzbeschreibungThe cowboy and the city slickerTo Hannah Nelson the idea of roughing it meant using her gold charge card rather than Daddy's platinum one.
