nichts desto trotz ein solider Abschluss der Trilogie4 von 4 Kunden fanden die folgende Rezension hilfreich. Gezwungener AbschlussVon JannikWer sich fr diese Buchreihe von Joshua Dalzelle interessiert, der sollte wirklich Band 1 lesen. Fr mich ein perfektes Beispiel fr das Genre Space Opera. Wenn man jedoch nicht enttuscht werden will, sollte man die Finger von Band 2 und 3 lassen. Es ist ein kontinuierlicher Abstieg. Die Wendungen der Geschichte werden immer unglaubwrdiger und der rote Faden wechselt hufiger, als das er in die Tiefe geht. Ich kann jeden verstehen der wissen will, wie die Geschichte weiter, bzw. zu Ende geht. Erwartet aber einfach nicht zu viel. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Okay, but not a great readVon M.W. The problem with Dalzelle's trilogy is that the plot develops to sudden and does not smooth out. Sometimes, he takes too many pages to develop an idea or describe something and sometimes all of a sudden an encounter is done, though you are still thinking about a way how this could end. Nonetheless, the book is good enough to read the last part, and still some fun in general.

KurzbeschreibungCaptain Jackson Wolfe never thought hed see the end of the Phage War in his lifetime. The enemy was too powerful, too numerous, and utterly determined to exterminate humanity. But the appearance of a new ally in the fight has changed all of that. For the first time since the original incursion Wolfe thinks that maybe theres a chance to stop their implacable enemy before they have the chance to wipe out any more human planets. That opportunity comes at great cost, however, and even as he makes plans for their first offensive move on the Phage, Jackson is all too aware that most of them will not survive. Counterstrike is book three of the bestselling Black Fleet Trilogy. KurzbeschreibungCaptain Jackson Wolfe never thought hed see the end of the Phage War in his lifetime.
