**Von Ben Coes : Coup d'Etat: A Dewey Andreas Novel (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Coup d'Etat: A Dewey Andreas Novel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Dem Autor ist die Steigerung von "Power Down" ist gelungenVon A. ZutherNachdem dem ersten Titel des Autors "Power Down" musste ich einige Zeit warten, bis in Deutschland der neue Titel von Ben Coes verfgbar wurde. Das Warten hat sich gelohnt. Eine Story die an Spannung nicht zu bebieten ist, wird so geschildert, das man das Gefhl hat dabei zu

sein. Das fesselndste daran ist aber, dass diese Situation zu jeder Zeit in der aktuellen Gegenwart passieren könnte, wenn es nicht Leute geben würde, die wie die Protagonisten aus dem Buch, Andreas Dewey, Jessica Tanzer und der Präsident der USA ihre ganze Kraft und ggf. auch ihr Leben dafür einsetzen, dass die Welt weiterhin freier Lebensraum bleibt!

Der Autor beruht in seinem Stil auf den Werken von Tom Clancy, David Baldacci und Lee Child! Wer einmal anfängt zu lesen, hört nicht mehr auf. Genau wie der erste Rezensent würde ich hier auch 6 Sterne geben, wenn es die Möglichkeit gäbe. Hinweis: Ich habe die englische Ausgabe des Titels auf dem Kindle gelesen! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr starker Actionthriller, ganz große Klasse von Benjamin Ziegler. Mit Power Down hatte Ben Coes bereits einen sehr guten und spannenden Thriller hingelegt, mit Coup d'état schafft er es den Vorgänger trotzdem zu toppen. Weil zwei pakistanische Soldaten ihr brutales Unwesen in einem kleinen indischen Dorf in Kashmir treiben und die Dorfbewohner mit tödlicher Gewalt antworten, rutschen Indien und Pakistan in einen offenen und brutalen Krieg hinein. An der Spitze von Pakistan steht El-Khayab, ein fanatischer Jihadist, der auch gleich nach ein paar Tagen den Abschuss einer Nuklearwaffe befiehlt. Indien beschließt natürlich zurückzuschlagen, jedoch mit seinem gesamten Nukleararsenal, was Pakistan auslöschen würde. Und sollte Pakistan doch noch reagieren können, könnte auch Indien schwer getroffen werden durch weitere Nuklearwaffen. Das wiederum könnte dazu führen, dass China - Pakistans Verbündeter - und die USA - Indiens Alliierte - in diesen Konflikt mit hineingezogen werden... Gleichzeitig versuchen Schergen von Aswan Fortuna, der Vater von Deweys Gegenspieler aus Power Down, eben Dewey Andreas in Australien aufzufinden und zu töten. Nur knapp entkommen wird Dewey von den USA rekrutiert um in kürzester Zeit einen Umsturz in Pakistan in Wege zu leiten. Mit einem kleinen Team muss nun Dewey innerhalb von 48 Stunden einen Nuklearkrieg verhindern... weiterhin mit Fortunas Männern im Schlepptau. Zunächst einmal muss man natürlich sagen, dass die Prämisse einen Umsturz innerhalb von 48 Stunden zu erreichen, totaler Unsinn, das ginge gar nicht. Das mal ignoriert ist dieser Roman von vorne bis hinten absolut Spitze: spannend, sehr actionreich, temporeich, einige sehr interessante Twists, keinen einzigen Minidurchhänger. Ben Coes hat hier einen extrem guten Actionthriller hingelegt. Da freue ich mich schon auf den Nachfolger. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Great book, really loved it. Von Thrillerfan. Great book, really loved it. For readers of Brad Thor, Vince Flynn, Tom Clancy, Steven Konkoly, Mark Greaney, Emily Rees, Tom Cain.

**Kurzbeschreibung** The wait is over Ben Coes, whose debut Power Down was called "the must read thriller of the year" (Vince Flynn) is back and at the top of his game with a mesmerizing new novel. Wanting only a peaceful, obscure life, Dewey Andreas has gone to rural Australia, far from turbulent forces that he once fought against. But powerful men, seeking revenge, have been scouring the earth looking for Dewey. And now, they've finally found him - forcing Dewey to abandon his home and to fight for his life against a very well armed, well trained group of assassins. Meanwhile, a radical cleric has been elected president of Pakistan and, upon taking power, sets off a rapidly escalating conflict with India. As the situation spins quickly out of control, it becomes clear that India is only days from resorting to a nuclear response, one that will have unimaginably disastrous results for the world at large. With only days to head this off, the President sends in his best people, including Jessica Tanzer, to do whatever it takes to restore the fragile peace to the region. Tanzer has only one viable option - to set up and execute a coup d'état in Pakistan - and only one man in mind to lead the team that will try to pull off this almost unimaginable task in the nerve-wrackingly short time frame, Dewey Andreas. If, that is, Jessica can even get to Dewey and if Dewey can get out of Australia alive...

**Pressestimmen** Praise for "COUP D'ETAT" "High concept meets high octane in this brilliantly executed thriller. Envision Clancy, Forsyth, and Le Carré all writing in their prime... then kick in the boosters. "Coup d'Etat" is fantastic and Ben Coes blows the competition away!" --#1 "New York Times" bestselling author Brad Thor "This exciting sequel to "Power Down" explores an all-too-plausible conflict... the plot sizzles with action, and the details have an authentic ring that put this thriller a cut above the pack." -- "Publishers Weekly" "Will keep you up at night--first with the titillation of a great read, then with dread that Ben's plot might not be all that imaginary. A sumptuous dessert for a thriller reader." -- Brian Haig, author of "The Capitol Game" "Power Down" "Power Down" is terrific! With a gripping story, compelling characters, a relentless pace, and nerve-wracking suspense, "Power Down" is one of the must-read thrillers of the year. Don't miss this debut of novelist Ben Coes and the introduction of Dewey Andreas--you'll devour this one and wait anxiously for their return." -- Vince Flynn, "New York Times" bestselling author of "Pursuit of Honor" "Coes pumps new heat, blood, and flat-out action into a well-worn premise--terrorists are out to break America by attacking its energy resources--in his frighteningly plausible thriller debut." -- "Publishers Weekly" "I loved "Power Down"! It's a fresh, exciting thriller and the action scenes are big, vivid and authentic, at times even breathtaking. An impressive debut for Ben Coes. I was blown away." -- David Morrell, "New York Times" bestselling author of "Creepers" and creator of Rambo "A ripping thriller from an exciting new novelist. "Power Down" kept me glued, turning the pages. Lots of action, a terrific hero, and a slimy villain--thrillers don't get any better." -- Stephen Coonts, "New York Times" bestselling author of "The Disciple" "Power Down" marks the emergence of a major new talent.
