definite keeper. A laugh out loud riot. Von Ein Kunde Can you imagine two friends reading a book out loud that makes them end up laughing so much they get teary-eyed? With this book that's exactly what happened when I read it. My friend and I couldn't stop laughing at times. This is the type of book that you can put down, come back to later, and not have to worry about any plots. It's just a feel-good, laugh loudly kind of book. Paul Reiser brings up situations that happen to everybody, not just comedians or actors. They are actual situations that you can relate to and say (between laughs) "I never thought of it that way!" I highly recommend this book, whether you are attached at the hip or just on the singles scene. It is a definite keeper!

Paul Reiser geht nicht umsonst zu den gefragtesten Comedians der 80`er und 90`er. Jedes Kapitel ist witzig, liebenswert und in positiver Form erschreckend real. Für alle die ein Kind in Planung haben, ist sein zweites Buch "Babyhood" ebenfalls ein Muss. Schade, dass es nicht noch mehr davon gibt.

I often caught myself nodding "yes, that happened to me (or my parents, at least) as well" or "he's oh so right". I really enjoyed reading it! Highly recommendable to anybody ... and you even don't have to be a couple.

Kurzbeschreibung In the tradition of the #1 best-seller Sein Language, Bantam Books proudly presents the first book by Paul Reiser, television's sharpest, funniest observer of love, marriage and other mysteries of life. A veteran comic performer, Reiser is best-known as the co-creator and star of the highly-rated NBC comedy, "Mad About You", which Time Magazine called "The season's best new sitcom" in its 1992 debut. Every Thursday night more than twenty million viewers watch as Paul Reiser reveals the most intimate and hilarious scenes of a marriage. Now for the first time, Reiser brings his trademark wit to the page in a book that will delight his eagerly-awaiting audience, and anyone else who has ever fallen in love--or tried not to. In Couplehood, a New York Times bestseller for more than 40 weeks, Reiser reflects on what it means to be half of a couple -- everything from the science of hand holding, to the technique of tag-team storytelling, to the politics of food and why it always seems to come down to chicken or fish. From the Paperback edition..
