fantastic book in the series!! Von Ein Kunde I really enjoyed reading this book. I have read all of the previous 13 books in the series and I loved them all. "The Brides of Montclair" series is probably one of my most favorite of all time. The history and heritage in each of the books is brought to life in the mind of the reader. It has really been neat reading each book and following the Montrose and Cameron families as they continue to grow. I would definitely recommend this book to anyone, but it really helps if you have read all of the other books because they are referred to quite often. I anxiously await another book in this series.

Kurzbeschreibung "Niki's heart was thrumming as the taxi stopped with a jerk in front of the gray, stone building behind tall, black iron gates. On a metal plaque was engraved Les Soeurs de Merci. Niki thrust several franc notes staring through the rungs of the gate. Years ago another young woman- perhaps her mother- had stood in the same place, a baby in her arms, the child she was going to give up. What emotions had run through her heart?" Niki had come to France to seek her true identity and to experience the richness of her French heritage. But what begins as a romantic, carefree summer holiday for Niki, her stepbrother Luc Montrose, and their friend Paul Duval, ends with the outbreak of war, changing their lives forever. As World War II ravages Europe, Niki wants desperately to serve her native country in its time of need. She finds herself making dangerous decisions and facing dramatic challenges, aware of- but unable to do anything about- the impact the war is having on her loved ones back at Montclair. Caught up in the firestorm of world conflict, this courageous young woman with an unknown past faces an uncertain future, with only her newfound faith to sustain her.
