Happy reading!ber den Autor und weitere MitwirkendeAbout Tracy Ellen... I was born in Indiana to middle-class parents, the third out of five hellions. I often used my supernatural powers to force my family members to listen to me talk and tell stories. When they laughed of their own free will, I knew the world would someday, somehow be my stage. I've lived in the Midwest my whole life--in a small town, on a farm, and in the big city. Currently, I live in the suburbs of St Paul, Mn. with my family. Im married and still tormenting the man I started stalking at age seventeen. Luckily, I'm speaking about the same man. The historical town of Northfield featured in Anabels Adventures is just down the road a jaunt. I like writing about the values and independent spirits of people found in small town living, but with a definitely modern twist. And then there's my twisted sense of humor...
