berraschung geht weiter! Teil 2 Von LenaRibka Solide 4, 5 Sterne! Das Buch 2 ist sogar besser als der erste Teil der Trilogie und hat wenig Parallelen mit der FSOG-Story. Ich habe die beiden Teilen in einem Zug durchgelesen und werde gleich mit dem letzten Teil anfangen. Spannende Liebesgeschichte mit viel Erotik und toller Chemie zwischen

Constantijin und Yanna. Gut gemacht, Marian Tee!

Kurzbeschreibung This is Book 2 in the TRILOGY. You can buy the entire compilation by searching for How Not to be Seduced by Billionaires here in . My name is Yanna Everleigh. I used to think playing hard to get would be enough to keep gorgeous, sexy billionaires away - well, at least the kind who didn't do love at least. But I was wrong. If anything, it just made my billionaire get even, leaving us both brokenhearted. His name is Constantijin Kastein. He blows hot and cold, acting like he doesn't know the meaning of romance but then he sweeps me off my feet with the adorable little things he does. He makes me want to be his, even though he seems to want other women, too. But he's also Netherlands' #1 playboy and I'm the only virgin he hasn't been able to bed. I have to be sure he doesn't just see me as a challenge. Maybe if I ask him to court me - maybe if I pretend other men are also courting me - pretend that I'm like him and I can want other men, too - maybe he'll finally stop trying to seduce me. Or not.
