Amusing and movingVon Kindle JunkieWhen the Duke of Kielder asks his friend Harry to serve as suitor sorter for his sister-in-law and ward, he is adamant that fortune hunters be avoided. Harry believes he definitely has no chance with Miss Lancaster as his income is too small and his estate in too great disrepair. Harry tries to make the best of the situation and wants to assure Miss Lancaster will at least be happy, even if it breaks his heart. The reader's heart also

bleeds for Harry. There is also much humor in the snappy dialogue, especially the somewhat black humor between Harry and his friend the duke. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A pleasant surprise Von Avid Reader My recent experiences with regency romance novels were none too good, almost nobody seems to be able to write the form well these days. However, *Courting Miss Lancaster* was very entertaining and well-paced, I enjoyed it and can only recommend it to other lovers of the genre. I particularly liked the hero, Harry, and the heroine Athena also grew on me in the course of the book. Well done.

Kurzbeschreibung Harry Windover adores blonde, green-eyed Athena Lancaster, but alas, a penniless man like himself has no hope of winning a young noblewoman's hand. To add insult to injury, Athena's brother-in-law and guardian, the Duke of Kielder, has asked Harry to assist Athena in finding the gentleman of her dreams. But the lovesick Harry is cunning as well: as the weeks pass, he introduces Athena to suitors who are horrifically boring, alarmingly attached to their mothers, downright rude, astoundingly self-absorbed, and utterly ridiculous. Athena can't comprehend why she is having so little success meeting eligible and acceptable gentlemen. Indeed, her circle of admirers couldn't be less admirable nothing like the loyal, gentle friend she's found in Harry. But how long can Harry's scheme be hidden before it is discovered? And what will Athena do when she uncovers Harry's deception? Escape into a charming regency world in this delightfully romantic comedy of manners that will entertain you to the very last word.
