erase the world's crime of ignoring this great book. The equal of Dickens and James, Balzac has more energy and spirit, and a brighter palette. Cousin Bette has more plot than David Copperfield and sexier women than Valley of the Dolls. Madame Marneffe may be the most attractive monster (rhymes with itch) in literature, and Cousin Bette herself is all the Furies wrapped in an ugly old maid. One of the top fifty novels of all time.

KurzbeschreibungSet in mid-19th century Paris, it tells the story of an unmarried middle-aged woman who plots the destruction of her extended family.PressestimmenRaines translations restore Balzac to his passionate and efficient outrage upon the expectations of fiction.
