Von Lisa Lang Blakeney : Cousins: An Alpha Bad Boy Romance (Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cousins: An Alpha Bad Boy Romance (Book 1) (English Edition):

KurzbeschreibungOur passion is incredibly intense. The connection between us borders on the possessive. Our feelings are absolutely forbidden. We're cousinsThe question now iswhat the f*ck are we going to do about it?After Elizabeth Hill is brutally attacked in her apartment by an intruder and then unceremoniously dumped by her ex-boyfriend, she moves in with her wealthy aunt and uncle who assign her older cousin the task of keeping an eye out for her. All she remembers about her cousin Roman is that he was the moody mean boy who played a cruel trick on her when she was just six years old; but soon learns that he is now a complex and multi-layered man who has the ability to protect her, ignite her, and challenge her like no one ever has before. Wealthy Roman Masterson makes his fortune by fixing celebrity problems for big money and by any means necessary. He is a foul-mouthed, bad-tempered, manwhore who doesn't have the time or inclination to babysit a gullible little brat from the suburbsuntil he unknowingly spots her in the middle of a crowded dance floor and decides right then and there to claim every one of her orgasms from that moment on. Little does he know that the woman he's laid claim to is hiscousin. Authors Note: Contains adult themes, explicit love scenes, and harsh language. It is only appropriate for adult readers age 18+. All characters in the book are 18+ years of age, non-blood related, and all sexual acts are consensual.* This steamy, secret romance is perfect for fans of Joanna Blake, Sabrina Paige, Winter Renshaw, Sophie Frost, Vanessa Waltz and Claire Adams. Genre: New Adult Contemporary Romance Book 1 - Series*Entire series is published

ber den Autor und weitere MitwirkendeI grew up an only child gorging myself on daytime soaps, night time dramas, and romance novels. I write about strong alpha men and the smart women they seek to claim, and I tend to favor continuing storylines and sagas, although I will write a stand alone novel when inspiration strikes. My novels will probably always contain something a bit taboo, lots of dirty language, and mature content so be warned:) I live in the great state of Pennsylvania and am married to an alpha male I met in college. We are the proud parents of 4 girls and 2 dogs. I LOVE talking to readers! So please connect with me via email or the web at: Email: Lisa@LisaLangBlakeney.com Website: <http://LisaLangBlakeney.com>
