Warmouth und the Con manVon MinelliConnor und Electra kennen sich seit der High School. Connor hat Electra
offenbar in dieser Zeit das Leben zur Hlle gemacht und sie hassen sich daher seit Jahren. Wer Bully (hie das Buch so?)
gelesen hat, kennt das Szenario.Jetzt 7 Jahre spter muss Electra Connor interviewen und es sprhen die Funken.Ich
hatte hier ein bisschen den Eindruck als wollte die Autorin einen Tribut an die Covermodels kreieren. Ich wei, dass

viele die dieses Genre lesen einen Hype um die Models machen. Die Autoren ebenfalls. Wer zB JLA auf FB folgt weiß was ich meine. Ich für meinen Teil interessiere mich nicht wirklich für die Leute die auf dem Cover sind. Schnell fand ich, dass die Autorin nach kurzer Zeit im Buch offenbar gemerkt hat, was sie sich mit den Namen Electra angetan hat. "Connor" hat sie dann kurzerhand in "Lex" umgetauft. Gut gerettet. Die sehr unauffällige Werbung für Stepbrother Obsessed fand ich ämsant. Lustigerweise funktioniert die Schleichwerbung (das Buch wurde etwa 4 Mal im Buch erwähnt) und ich werde es wohl als nächstes lesen :) Ansonsten war die Story in Ordnung. Ich habe eben auf .com gelesen, dass der Schreibstil schlecht wäre, das fand ich jetzt nicht.

Kurzbeschreibung They called him Connor HUGE. Connor Hughes f**ked his way through every girl in my high school. Except me. We hated each other. That arrogant a**hole insulted me, tormented me, and ruined me without ever laying a finger on me. After graduating near the top of my class, I escaped to UCLA, got my degree, and threw myself into a career as a serious journalist. But I never forgot the damage Connor did. At least I'll never have to see him again. Until my editor at Trending Magazine tasks me with writing a tell-all article about Connor. Turns out my insufferable bad boy nemesis grew into the ultra-gorgeous model whose perfect body steams up the covers of half the romance novels on the bestseller lists. Now I'm stuck shadowing him all weekend long at the world's largest Romance Convention. I'm forced to watch in disgust as 45,000 women throw themselves at him and worship his shirtless body while he taunts me incessantly. We hate each other as much today as we did seven years ago. But I can't stop stealing glances at his perfect abs and perfect a**. My better judgment tells me to drop everything and run, but something deep inside me is dying to know if he's as HUGE as the rumors**. Cover Model is a steamy standalone with an HEA**. **Kurzbeschreibung** They called him Connor HUGE. Connor Hughes f**ked his way through every girl in my high school. Except me. We hated each other.
