Von Eve Gaddy : Cowboy Come Home before purchasing it in order to gage whether or not it would be worth my time, and all praised Cowboy Come Home:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the best contemporaries that I've read in a long timeVon Ein KundeI think that what made this book as good as it is is that in this story of love lost and re-found the wishes of the third person - the daughter of Jake and Anna, about whom

he never knew - center strongly in the resolution of this satisfying romance. Jake and Anna are sympathetic, well-drawn characters, and the reader likes them even more for both caring so much for their daughter that they are willing to lose each other again so as not to hurt her. Even as they come to terms with their past and look toward the future, they can never forget about the young woman whose life is intertwined with theirs. I was quite pleased with this touching book, and I cannot recommend it highly enough! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another great story by Eve Gaddy Von Ein Kunde I've read all of award-winning Texan author Eve Gaddy's novels and am happy to report she's writing better than ever for Superromance. Cowboy Come Home is a sharp, fast-paced tale (with the best opening line I've read in a while!) about a sexy rodeo star hero and the once-burned, twice-shy woman he very much regrets leaving behind---and oh, yes, the rodeo-hungry daughter he didn't know he had. If you like three-dimensional characters, a believable conflict, sizzling sexual tension, and a Texas-as-Texas-can-be setting, you'll love this book.

Kurzbeschreibung A bittersweet reunion. A second chance at happiness. The daughter who may never forgive them both. Champion bronc rider Jake Rollins never intended to go back to Happy, Texas and its memories of lost love. That changes when he meets Leigh and suspects she's his daughter. Jake arrives in Happy determined to get to know her and to find out the truth. Only problem is, Anna Connor, Leigh's mother, doesn't want him in their lives. At first she won't even admit he's Leigh's father. Sixteen years ago, Jake left Anna with a phone call telling her he'd married another woman. Devastated and pregnant, Anna married Jake's best friend, Carl Connor. Together they raised the daughter Jake never knew about. But Anna's a widow now and even more irresistible than she'd been as a girl. Will it be enough for Jake to tell Anna that leaving her was the worst mistake he ever made? Can he convince her he's changed? Jake and Anna fall in love again, but it's far from smooth sailing. Leigh's response to the news that Jake is her biological father is anything but good. Jake and Anna must decide between their love for each other and the future of the daughter they love. Kurzbeschreibung A bittersweet reunion. A second chance at happiness.
