Von Christopher Moore : Coyote Blue: A Novel (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Coyote Blue: A Novel (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sexistisches Buch Von Rafia harzerich habe das buch nach der hlfte aufgehrt zu lesen da es nur macho mnnliche charakteren hat und ber frauen nur in sex context geredet wird. very disappointing! 3 von 3 Kunden fanden die folgende Rezension hilfreich. Probably the Best Von E. Arthur Christopher Moore is my favorite author and this is

probably his best work. "Coyote Blue" on the surface is an excellent suspense and love story. But as you peel back the layers upon layers, you find deeper meaning. The Trickster is alive and well and easily recognized in many people we know and Mr. Moore made this harsh reality visible and funny. How can you not love a book with magic, faith restored, life renewed, true love conquering all, and a coyote humping a white leather sofa. It has it all! The storytelling is done by the master and the humor is unrelenting as the trickster weaves his tale. A must read book! I really did laugh out loud through most of it and cried at least once. I just can't say enough about this book. Except, if you read it, you will thank me! I loved every carefully chosen word. Erma Arthur, Reading Forum Assistant, MS2 von 2 Kunden fanden die folgende Rezension hilfreich. Self help is great, but sometimes we need Coyote. Von Ein Kunde Before I encountered this book, I thought I already knew all about Coyote, the trickster god of the Native Americans. He's the one who sticks out his foot and trips you once you've hit your stride. He's the one who turns up the heat in your comfort zone until he blasts you out. Moore puts a spin on him, however, that gave me a lot of fresh material to think about. There is something in this book that will appeal to everyone--satire, humor galore, love of all sorts, Las Vegas, bikers, a traveling miracle salesman, a Crow shaman who wonders himself if his visions are in fact now actually the D.T.'s--and last but not least, Sam Hunter (nee Samson Hunts Alone) who thought he'd already found himself until Coyote came along. In a rut? Read this book. You'll find yourself looking forward to having your world turned upside down.

Kurzbeschreibung From master of subversive humor Christopher Moore comes a quirky, irreverent novel of love, myth, metaphysics, outlaw biking, angst, and outrageous redemption. As a boy, he was Samson Hunts Alone until a deadly misunderstanding with the law forced him to flee the Crow reservation at age fifteen. Today he is Samuel Hunter, a successful Santa Barbara insurance salesman with a Mercedes, a condo, and a hollow, invented life. Then one day, destiny offers him the dangerous gift of love in the exquisite form of Calliope Kincaid and a curse in the unheralded appearance of an ancient god by the name of Coyote. Coyote, the trickster, has arrived to reawaken the mystical storyteller within Sam...and to seriously screw up his existence in the process. de This is an accelerating comedy with shadows setting off the wry, polished humor. Trickster deities thrive on contrariety, which is why one finds them bringing life into dead landscapes and disorder into order. A Santa Barbara insurance salesman's too-tidily-contained lifestyle, far from the Crow reservation he grew up on, is an irresistible target for Coyote, who wants to make sure his chosen people don't forget him. Coyote descends on Sam Hunter like one of Job's plagues, albeit a charmingly disingenuous one. "Why me? Why not someone who believes?" asks Sam, suffering from god-induced chaos. "This is more fun," says Coyote. He's right. com This is an accelerating comedy with shadows setting off the wry, polished humor.
