IsabelDie Protagonistin ist weinerlich und, obwohl immer wieder gesagt wird wie intelligent sie sei, vollkommen irrational und hilflos. Der sex ist ganz okay beschrieben aber die Charaktere sind zu flach und die Story nicht interessant genug geschrieben. Auer man hat sehr viel Geduld ist das Buch noch okay, aber nicht zu empfehlen .0 von 0 Kunden fanden die folgende Rezension hilfreich. Crave....ohhhh yeah they did ;)Von Mic....Crave was a really good read. I enjoyed this book a lot and was through within two days. It was a fast read, that's for sure and even the sometimes irritating behavior of the female main figure, Kevin was the rock not only for her (Keira)...also for my part. It was wonderfully written and you can just feel the troubled emotions of Keira with each word you read...But Kevin was the main reason I liked this book so much. He is the anchor and the driving passion...everything about this character is intriguing, sexy and truly loveable. He's so sweet and at the other side a rough alpha male who's been patient for so long, but not anymore. But how will he know that she is capable of truly loving him, when she will discover something that will maybe shatter her heart, before she is capable of opening her heart to him ? If you like it a little rough and are not repelled by dirty talk....go for this easy read.

Kurzbeschreibung Hot and Steamy meets intrigues and sexy drama Im no angel, but I was angelic with him. Im no saint, but Ive casted away all my sins. My name is Keira and Im no longer a whore. Ive changed for chances, changed for love, changed because change was the only way I could have his love. But then, he proved, just like every other man, that sometimes the things that seem so right are destined to be deathly wrong. He left me wanting; left with secrets untold. What he didnt know was that if you push a woman into another mans arms, she might fall. And he might catch her. What he didnt know was that he allowed the wrong person to catch her. Sex might not cure anything but it was my antidote. My name is Keira and Im no longer a whore but when Im in bed with him, everything is fair game. The man who pushed me might have known how to make love but the man who caught me knew how to fuck. Now, hes the one that I want. Hes the one that I crave. Its not my fault. Its not my fault. Its not my fault that Im addicted to his sin.
