**Von Nicole Jacquelyn : Craving Redemption (The Aces Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Craving Redemption (The Aces Book 2) (English Edition):

Kurzbeschreibung Asa and Callie had nothing in common. He was an Ace, raised in the club and loyal to it above all else. She was a high school student with braces on her teeth and a narrow view of the world. They should have never crossed paths. But when Callie decides to defy her parents, and Asa goes on an errand for the club, their lives collide. He saves her, and she mesmerizes him. They part believing they'll never see each other again. Neither could have predicted the chain of events they'd put in motion. Now the two have to navigate the dark waters of a relationship built on tragedy and need without drowning in guilt for things outside their control. How do you love someone when the worst decision of your life was the reason you met them? Warning: This book contains graphic language, sex and violence. It is meant for mature audiences.
