than JUST sexy and outrageous! Von Karen Templeton In CRAZY FOR YOU, all the criteria that make an author an autobuy for me are met in spades: realistic, appealing characters; complex, flawlessly executed plot; wickedly witty prose that captures -- and keeps -- my attention. To be honest, Ms. Crusie has an edge to her writing that, in a lesser author's hands, might actually turn me off, the humor notwithstanding. But in CRAZY FOR YOU, the sheer brilliance of her craft softens that edge, infusing depth and richness into what might otherwise be nothing more than a sexy, outrageous romance. I thoroughly enjoyed this book. 4 von 4 Kunden fanden die folgende Rezension hilfreich. Best Book I have read in a while! Von Ein Kunde I absolutely loved this book. I read "Tell Me Lies" last year and did not purchase this book until it came out in paperback. What a surprise! After reading this I will not even wait for her next book to come out in pb. I am running to the store for "Welcome To Temptation" in March! The reason I loved this book were the characters and Ms. Crusie's wonderful writing style. Funny and sexy go well together! Also I love the fact that Quinn and Nick seem like normal people. Not perfect, yet still attractive to each other. They are not super rich or super thin or super models! A nice change from all those other romances where the hero and heroine have perfect looks/bodies/money, blah, blah, blah. And Quinn's family and friends are as interesting as she is. Not to mention hard headed. I loved them all! I only wish it didn't have to end! Bravo Ms. Crusie. You are a terrific writer and my favorite new author! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Delicious and witty Von Beverly A fun romp into the lives of friends and lovers, wives and husbands, mothers and fathers. It's also the story of Quinn and Bill, stuck in a dead end relationship, and the little stray dog that comes between them and spurs her on to take risks and change her life for the better. A feel-good romance that will keep you burning the midnight oil.

Kurzbeschreibung On Wednesday, Quinn McKenzie changes her life. On Thursday, she tries to get somebody to notice. On Thursday night, somebody does. Quinn McKenzie is dating the world's nicest guy, she has a good job as a high school art teacher, she's surrounded by family and friends who rely on her, and she's bored to the point of insanity. But when Quinn decides to change her life by adopting a stray dog over everyone's objections, everything begins to spiral out of control. Now she's coping with dognapping, breaking and entering, seduction, sabotage, stalking, more secrets than she really wants to know, and two men who are suddenly crazy . . . for her..de High school art teacher Quinn McKenzie's life is perfectly normal--and it's making her insane. She's living with Bill, the nicest guy in Tibbett, Ohio, and he's crazy about her. Really crazy. Quinn is already having serious doubts about the future of their relationship when Fate intervenes, in the form of the scrawniest, squirmiest scrap of a dog you'd ever want to lay eyes on. She figures if the dog has the good sense to detest Bill on first sight, she ought to pay attention. And besides, there's Nick Ziegler, local mechanic and totally unsuitable love interest. Of course, that only makes Nick all the more appealing, not to mention his phenomenal aptitude between the sheets, and against the wall, and in the car, and... But getting rid of Bill is harder than Quinn ever expected. In fact, Bill was the last person she would have thought would try to hurt her. Thank God Nick is as capable with a two-by-four as he is with an automobile engine! Jennifer Crusie's second contemporary romance is a smash--literally! You'll laugh while you're tucking the covers around you a little tighter. --Alison Trinkle.com High school art teacher Quinn McKenzie's life is perfectly normal--and it's making her insane.
