A Fast-Paced Read!Von Kristi AhlersMs. Janzens fourth addition to her Crazy series is another action-packed romp full of larger than life characters.Peter Kid Chaos Chronopolous lives life in the shadows. Hes last assignment has taken him away from the only woman he will ever love. He has been away from Nikki McKinney for seven long months. In that

time he has been to hell and back while trying to stay alive in the South American jungle. He has made some very dangerous enemies and they aren't going to let him walk away. No Consecro is going to make sure that Kid pays with his life for all of the trouble he has cost Consecro. Will Kid be able to deal with his growing feelings for the stunning Nikki and will he be able to keep her safe from Consecro and the men set on killing him? Nikki McKinney has not forgiven Kid for leaving her without a word and staying away for so long. He was her first and the feelings she has for him are not going away. Forced into action she flies for Panama City, Panama in order to say good-bye to the only man she will ever love. But she's only in his presence for a second before she's in his arms. Too bad reality and death enter the picture. Now, Nikki and Kid are both being hunted and they both need to come to terms with their feelings. Will they ever have the happy ending Nikki so desperately wants with her Kid? Ms. Janzen has penned another entertaining read featuring the men of Steel Street. As per usual she has added another interesting storyline revolving around Travis, Nikki's model. The previously existing relationship between Nikki and Kid adds wonderful tension to this steamy read but if the reader is new to the series they will not be left confused as their history is well documented. Ms. Janzen knows how to weave a very entertaining story.

Kurzbeschreibung Romantic Suspense - Steele Street Series Book #4 "Sultry sex, harrowing adventure, fantastic characters - what more could you ask for?" Fresh Fiction "High-action plot, savage-but-tender hero, and wonderfully sensuous love scenes..." 4 1/2 Stars TOP PICK Romantic Times HES GOT A BOUNTY ON HIS HEAD AND A WOMAN ON HIS MIND. Special Ops soldier Kid Chaos Chronopolous is at the top of a Colombian drug lords hit list with good reason. Under orders and undercover, Kid has been on a mission of revenge, taking out his brothers murderers and the drug lords top lieutenants. Now, broke down and patched up, he's coming home to Panama City to get out of the line of fire and get some rest. Then he finds a bikini bottom in his bathroom, a familiar scrap of next-to-nothing that can only belong to one woman - his woman, the only woman he's ever loved. TOGETHER, THEY'RE A DEADLY COMBINATION Together, they're a train wreck, scorching, sultry nights of passion followed by Kid leaving and breaking Nikki McKinney's heart every time. She's only come to Panama to say her last goodbye. But Kid's mission puts her squarely in the crosshairs of the drug lords assassins, and when Nikki is captured by Kid's enemies, only his deadliest skills can save her... From Booklist As the latest of Janzen's Crazy series opens, Kid Chronopolous leaves Colombia, worried that he's lost his artist love, Nikki McKinney, and pursued by a very angry drug lord named Juan Consecro. Luckily, Nikki is waiting for him in Panama, and, despite resolving otherwise, they immediately fall into bed together only to be rousted out and pursued by Consecro's thugs. Barely escaping on a plane to Kid's Special Defense Forces undercover black-ops home in Denver, they make it to Nikki's art-show opening. Kid is upset because Nikki now knows what he does, and she's upset because he won't talk about his feelings. The sex, meanwhile, continues unabated, as does the threat of Consecro's goons. Kid finally manages to propose, and all ends happily in a honeymoon yurt in the Rockies. Besides the satisfying conclusion to Kid and Nikki's story, which began several books ago, the high-action plot, the savage-but-tender hero, and the wonderfully sensuous sex scenes, Janzen's trademarks, make this as much fun as the prior Crazy titles.
