DisappointedVon BettinaI didn't think I'd ever have to give only 2 stars a novel by Rachel Gibson - but the day has

come. I love all of her books - except this one. It reads as if she had a dead line and no proper idea what to write. The characters are shallow and the plot is one-dimensional. After reading it through in only a couple of hours I didn't know the protagonists any better than after the first chapter. But maybe there wasn't anything to know after all. The book was that un-absorbing, I concentrated more on counting all those typos, wrong or missing words. Did anybody proof-read? But there's hope after all: The next book in the series is much, much better and if you don't read this book in the series, you won't miss anything. 2 stars: 1 because it's Rachel Gibson and 1 because at least it's got a happy ending - even though the ending is pretty abrupt. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Boring Von lara3I bought this book mostly cause of the price, but it's not worth a penny! The story is flat, the personalities are shallow. The author repeats herself over and over again. All in all I really regret buying and reading this book! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Nette Geschichte, allerdings sollte man nicht zu viel erwarten Von K Wenzler Nette Geschichte, allerdings sollte man nicht zu viel erwarten. Wer eine berwltigende Story mit viel und vor allem unerwarteter Handlung mchte, sollte ein anderes Buch nehmen.

Kurzbeschreibung Return to Lovett, Texas, the setting of Daisy's Back in Town, in this smart and sexy new story from Rachel Gibson, the New York Times bestselling author of Rescue Me and the Seattle Chinooks books. Lily Darlington's been called crazy in her day and, yeah, driving her car into her ex-husband's living room probably wasn't the smartest move ever made but the louse deserved it. Now Lily is happily single, and she's turned it all around. She knows she's a good mom, a homeowner, and a businesswoman, all wrapped up in one good-looking package. A package that police officer Tucker Matthews is dying to unwrap. This ex-military man sure doesn't need another woman in his life. His last girlfriend left him with nothing but memories and a cat named Pinky! But living next door to Lily has been driving him nuts. He dreams about her long blonde hair and even longer legs. And maybe it's time to go a little crazy . . . and fall in love.
