historical romance fiction. Alex Du Villier has returned to Louisiana after being abroad in France for several years. Before his departure for France, he rescued a young lady of good breeding from certain harm. He walks away from her but she never leaves his mind. Three years later he returns to New Orleans and is on his way to a meeting with friends when he is compelled to enter an auction for indentured servants. He can't explain it but he purchases a slight young girl with the eyes the color of the girl he'd saved. He has no idea that both girls are one and the same, and that he has unwittingly taken a step towards his future. But will he allow his heart to release the one thing that brings him joy in order to secure the family's sugar plantation with a marriage that will be no more than a business arrangement? Nicole has lost all. Her father and mother are dead and she is now not a gently bred young lady; she is now a bond servant. When she is put on the auction block she has no idea who the handsome man is that has purchased her until she comes face to face with her hero from her childhood. He has no idea who she is and accepts the fact that she is no more than she appears. A thief and servant. But, his gentle nature and attention speaks to Nicki and she begins to wish for that which she can't have that is until his grandmother returns from France and recognizes who Nicki is. Will Alex and Nicki be able to put their feelings aside for a fortune, or will love be stronger than either of them ever realized it could be? This is one of my favorite romances by Ms. Martin. She has taken great care in building the relationship between her two main characters and as a result the reader will be drawn into the drama and firmly entertained until the final page. This is one romance I highly recommend!

Von Leseratte
Eine wunderschöne Liebesgeschichte zwischen dem Plantagenbesitzer Alexandre du Villier und der unverschuldet in Not geratenen Nicole St. Clair. Nicole wird öffentlich als "bond servant" versteigert. Um sich gegen die Bergriffe der Gefängniswärter zu schützen, hatte sie jedoch noch zuvor im Gefängnis als Kind verkleidet. Aus einer Laune heraus ersteigert Alex sie. Sie erinnert ihn irgendwie an ein schönes junges Mädchen, welches ihm vor Jahren buchstäblich in die Arme gefallen ist. Er ahnt natürlich nicht, da es sich genau um jenes junge Mädchen handelt, welches inzwischen erwachsen geworden ist. Zwischen den beiden entwickelt sich eine Freundschaft und Alex - hochverschuldet und eine Vernunfthehe mit der reichen aber kalten Clarissa planend - plant, Sie zu seiner Geliebten zu machen, sobald "das Kind" erst einmal erwachsen ist. Mit der Rolle der Geliebten kann sich die stolze Nicole jedoch niemals abfinden.

Kurzbeschreibung
The Louisiana sun beat mercilessly on Nicole St. Claire just as fate, too, had been merciless. The once wealthy, flirtatious belle stood on the auction block to be sold as a servant. Her sensual figure disguised, her glorious titian hair disheveled, she looked like a waif, but she was all woman, trembling when she recognized the highest bidder idol of her childhood dreams, the owner of plantation Belle Chene. A man of blazing passion, Alex du Villier bought the girl out of pity, but her aqua eyes stirred his soul and her body ignited his blood. She would be the perfect mistress to make him forget his coming marriage to a cold, haughty heiress. Now he intended to teach this innocent beauty that although he had purchased her freedom, he could steal her heart. An affair of burning desires. . . . Under a Creole moon their passion became a wildfire neither could control, driving them to heart-wrenching choices of silken sin . . . or freedom and love.
From the Paperback edition.
